## **Bureau of Indian Education (BIE)**

### **Vision Statement**

The Bureau of Indian Education (BIE) is the preeminent provider of culturally relevant educational services and supports provided by highly effective educators to students at BIE-funded schools to foster lifelong learning.

### **Mission Statement (25 C.F.R. 32.3):**

To provide quality education opportunities from early childhood through life in accordance with a tribe's needs for cultural and economic well-being, in keeping with the vast diversity of Indian tribes and Alaska Native villages as distinct cultural and governmental entities. Further, the BIE is to manifest consideration of the whole person by taking into account the spiritual, mental, physical and cultural aspects of the individual within his or her family and tribal or village context.

### **Message on Wellness**

Sherman Indian High School encourages students and their families to address their physical, mental, and spiritual well-being. We encourage students and their families to eat healthy, exercise, and maintain their mental health so that students can reach their full potential. Sherman Indian High School provides students with nutritious food and structured physical activities to the greatest extent possible.

### **Bureau of Indian Education (BIE) College and Career Readiness Standards**

Sherman Indian High School is committed to preparing all students for success in college, career, military service, and lifelong learning. The school implements the Bureau of Indian Education (BIE) College and Career Readiness Standards (CCRS), which establish clear expectations for student learning and achievement across all grade levels and content areas.

The BIE CCRS are designed to ensure that students develop the knowledge, skills, and critical thinking abilities necessary to succeed in postsecondary education, training programs, and the modern workforce. These standards emphasize:

- Critical thinking and problem-solving skills.
- Effective communication through reading, writing, speaking, and listening.
- Mathematical reasoning and application.
- Scientific inquiry and evidence-based analysis.
- College and career preparation skills.
- Technology, literacy and responsible digital citizenship.
- Cultural awareness and respect for diverse perspectives.

- Collaboration, leadership, and civic responsibility.

Instruction at Sherman Indian High School is aligned to the BIE CCRS and incorporates rigorous academic expectations, meaningful learning experiences, and opportunities for students to apply their knowledge in real-world settings. Teachers regularly assess student progress and use data to support academic growth and achievement.

Students are encouraged to take an active role in their education by setting academic goals, maintaining regular attendance, participating in classroom learning, and engaging in college and career exploration opportunities. Parents and guardians are encouraged to partner with the school to support student success and readiness for life after high school.

Additional information regarding the BIE College and Career Readiness Standards and curriculum expectations may be obtained through the school's academic departments or administration.

## **Message on Child Abuse and Neglect**

All suspected cases of child abuse and neglect will be reported in accordance with the BIE's Suspected Child Abuse/Neglect (SCAN) Reporting Protocols. Full protocol can be found in Appendix A of this handbook. For access or further information on the protocol, contact the School Principal, or visit the Bureau of Indian Education website at: <http://www.bie.edu/Programs/SSS/index.htm>.

## **Compliance with Anti-Discrimination Laws**

The dormitory will comply with the requirements of Title IX of United States Education Amendments of 1972, Section 504 of the Rehabilitation Act, 29 U.S.C. § 794, and 20 U.S.C. §§ 1681–1688, Pub L. No. 92-318, and its implementing regulations (34 C.F.R. part 106). Further, no individual, on the basis of race, sex, color, national origin, disability, religion, age, sexual orientation, or status as a parent, shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in, a federally conducted education or training program or activity (Executive Order 13160).

## **Confidentiality**

The Bureau of Indian Education protects the confidentiality of personally identifiable information regarding students in accordance with tribal, state and federal laws dealing with regular and special education students' rights and privacy. The foundation of the rights and laws comes from federal legislation titled, Family Educational Rights and Privacy Act of 1974. All students are covered by the regulations contained in Chapter 12 known as Students' Rights and Responsibilities. It is the intent of this policy to inform both parents/guardians and eligible children (e.g., students eighteen and older) of their rights in the collection, maintenance, release, and destruction of records.

## **Academic Information**

### **Program Goals**

The following are the goals of the BIE:

- All students meet or exceed academic proficiency levels in reading and/or English Language Arts (ELA), science, and mathematics.
- All schools provide a safe and secure environment by decreasing incidents of violence and substance abuse by a minimum of 2% annually.
- Student attendance meets or exceeds the United States rural attendance rate.
- All schools enhance the professionalism of staff to improve education programs for student success through:
  - requirements for staff to have appropriate certification
  - comprehensive systemic and ongoing professional development
  - recruitment and retention of highly qualified educators; and
  - development of leadership using best practices
- Achieve a high school graduation rate of 95% or higher.
- Each school provides curriculum and instruction in tribal languages and/or cultures, as approved by the local school boards.

### **Performance Standards for Quality Schools**

Sherman Indian High School is fully accredited through [Cognia](#), a non-profit, non-partisan accreditation organization that conducts rigorous, on-site external reviews of PreK-12 schools and school systems to ensure that all learners realize their full potential. Accreditation is accomplished through system accreditation of the Phoenix Educational Resource Center. Cognia provides tools and resources to schools and school systems to support ongoing comprehensive analyses to drive continuous improvement.

### **Access to Student Records**

Sherman Indian High School maintains student educational records in accordance with applicable federal laws, including the Family Educational Rights and Privacy Act (FERPA), and Bureau of Indian Education policies. Parents/guardians of students under the age of 18, and eligible students who are 18 years of age or older, have the right to inspect and review the student's educational records, request amendments to inaccurate or misleading information, and provide written consent before personally identifiable information is disclosed, except as permitted by law.

Requests to review student records must be submitted in writing to the school administration. The school will provide access to records within the timeframe required by law. Copies of records may be provided when appropriate and may be subject to applicable fees.

Educational records may include academic transcripts, attendance records, disciplinary records, special education records, health information maintained by the school, and other records directly related to the student. Access to student records is limited to authorized school officials with a legitimate educational interest and other individuals or agencies as permitted by law.

Questions regarding access to student records or FERPA rights should be directed to the Principal or the school's designated records custodian.

## **Educational Records**

Sherman Indian High School maintains educational records for each student in accordance with the Family Educational Rights and Privacy Act (FERPA), Bureau of Indian Education (BIE) policies, and other applicable federal laws. Educational records are maintained to support student learning, monitor academic progress, and ensure the delivery of appropriate educational services.

Educational records may include, but are not limited to:

- Enrollment and registration information
- Academic transcripts and grades
- Attendance records
- Standardized test results
- Discipline and behavior records
- Special education records and related service documentation
- Health and immunization records maintained by the school
- College and career readiness information
- Other records directly related to a student's educational experience

Parents/guardians of students under the age of 18 and eligible students who are 18 years of age or older have the right to:

- Inspect and review the student's educational records.
- Request corrections to records believed to be inaccurate, misleading, or in violation of the student's privacy rights.
- Consent to the disclosure of personally identifiable information from educational records, except as permitted by law.
- Receive annual notification of their rights under FERPA.

Requests to review educational records must be submitted in writing to the Principal or designated records custodian. The school will provide access to records within the time period required by law. Access to educational records is limited to authorized school personnel with a legitimate educational interest and others as permitted by federal law.

The confidentiality of student records is a priority at Sherman Indian High School. Educational

records are maintained securely, and information is disclosed only in accordance with applicable laws, regulations, and BIE policies.

Questions regarding educational records or FERPA rights should be directed to the school administration.

## **Annual Notification of Rights**

Sherman Indian High School is committed to protecting the rights of students and parents/guardians. Each year, the school provides notice of the rights afforded under federal and Bureau of Indian Education (BIE) regulations, including the Family Educational Rights and Privacy Act (FERPA), student privacy protections, nondiscrimination requirements, and other applicable laws and policies.

Parents/guardians of students under the age of 18 and eligible students who are 18 years of age or older have the right to:

- Inspect and review educational records maintained by the school.
- Request the amendment of records believed to be inaccurate, misleading, or in violation of privacy rights.
- Provide written consent before personally identifiable information is disclosed from educational records, except as authorized by law.
- File a complaint concerning alleged failures by the school to comply with FERPA requirements.
- Receive information regarding school policies, procedures, student conduct expectations, attendance requirements, academic standards, and available support services.
- Be informed of nondiscrimination protections and grievance procedures.
- Participate in meetings and decisions regarding their child's educational program, as applicable.

Sherman Indian High School does not discriminate on the basis of race, color, national origin, sex, disability, age, religion, or other protected status in its educational programs, activities, or employment practices. Questions regarding student and parent rights, access to records, or nondiscrimination policies should be directed to the school administration.

Copies of annual notices and related policies are available from the school office and on the school's website. Parents, guardians, and students are encouraged to review these notices each year to remain informed of their rights and responsibilities.

## **Grade Level Promotion**

Sherman Indian High School promotes students based on the successful completion of academic coursework and the accumulation of required credits toward graduation. Grade-level classification is determined annually and is intended to ensure that students are making appropriate progress toward earning a high school diploma.

Grade-level classifications are generally as follows:

| <b>Grade Level</b>     | <b>Credits Earned</b> |
|------------------------|-----------------------|
| Freshman (9th Grade)   | 0–54 credits          |
| Sophomore (10th Grade) | 55–109 credits        |
| Junior (11th Grade)    | 110–164 credits       |
| Senior (12th Grade)    | 165 or more credits   |

Students must successfully complete required courses and maintain satisfactory academic progress to remain on track for graduation. Promotion to the next grade level is based on credits earned rather than age or years of attendance.

Students who do not earn sufficient credits may be retained at their current classification level and may be required to participate in credit recovery, summer school, online coursework, tutoring, or other academic interventions designed to support graduation requirements.

The school administration, counselors, and academic staff will regularly review student progress and provide guidance to students and families regarding credit accumulation, graduation requirements, and academic planning. Parents and guardians are encouraged to monitor student progress through regular communication with teachers, counselors, and school administrators.

Questions regarding grade-level promotion, credit requirements, or graduation status should be directed to the Counseling Department or school administration.

## **Academic Support Services**

Sherman Indian High School is committed to providing a comprehensive system of academic support to help all students achieve academic success, meet graduation requirements, and prepare for college, career, military service, and lifelong learning. Academic support services are available to students who require additional assistance, enrichment opportunities, or specialized interventions.

Academic support services may include:

- Classroom interventions and differentiated instruction
- Academic counseling and graduation planning
- Tutoring and after-school academic support programs
- Credit recovery opportunities

- Summer school and extended learning programs
- Academic progress monitoring
- College and career readiness programs
- English learner support services
- Special education services and accommodations as identified through an Individualized Education Program (IEP)
- Section 504 accommodations and support services
- Study skills and organizational support
- Technology-based learning resources
- Advanced coursework, dual enrollment, and enrichment opportunities, when available

Teachers, counselors, administrators, and support staff work collaboratively to identify students who may need additional assistance and to develop appropriate interventions. Students may be referred for support through academic performance data, attendance concerns, teacher recommendations, parent requests, or student self-referrals.

Parents and guardians are encouraged to actively participate in their student's educational progress by maintaining communication with school staff, monitoring academic performance, attending conferences, and supporting learning at home.

The goal of Sherman Indian High School's academic support services is to ensure that every student has access to the resources, instruction, and guidance necessary to achieve their educational goals and reach their full potential. Questions regarding available academic support services may be directed to the Counseling Department, Special Education Department, or school administration.

Sherman is on the Semester System. Grades are posted on the transcript in December and May. Each class at Sherman is worth 5 credits. Each semester, students work to earn 30 credits. A's, B's, C's, and D's are worth 5 credits each. F's are worth no credit.

## **Determining Your Grade Level**

As part of the application process to Sherman Indian High School, parents/guardians are responsible for having all transcripts sent to Sherman's Registrar's Office. The School Counselors and the Registrar's Office cannot be held responsible for students being placed in courses completed at other schools if Sherman does not have a transcript to verify that a course has been successfully passed. Only courses from Accredited High Schools will be accepted.

## **Academic Assessment Tools Used**

- Department and Individual Teacher Tests
- Mathematics: STAR Math - Renaissance Learning
- Reading: STAR Enterprise– Renaissance Learning
- Pearson Standardized Testing (11<sup>th</sup> Grade: English, Math)
- Cognia Standardized Testing (11<sup>th</sup> Grade: Science)

## **Library Services**

The library welcomes all faculty, staff, and students who wish to read, learn, and/or study.

### **Book Checkout**

Staff and students may check out library books at the discretion of SIHS.

### **Overdue Books**

The library prevents staff and students with overdue items from borrowing additional books until they return or renew the books. At the end of the school year, the library treats all overdue books as lost or missing.

### **Requests for Books**

The library welcomes and makes all attempts to fill book requests from staff and students.

### **Library Rules**

Students must observe the following rules when using the library:

- Keep the library clean
- Be respectful of other library visitors
- Be kind to the books
- Ask for help if you can't find what you need

## **College and Career Readiness**

### **AVID**

#### **What Is AVID?**

AVID stands for Advancement Via Individual Determination. AVID is a structured and rigorous college preparatory elective program for self-motivated, potential college-bound students. To find out more about AVID, please visit the national website at [www.avid.org](http://www.avid.org). AVID has been a program at Sherman since the 2017-2018 school year.

#### **AVID's Mission and Proven Success**

AVID's mission is to close the achievement gap by preparing all students for college and career readiness and success in a global society. An AVID student completes four-year college entrance requirements at a rate that is at least two times the national rate. Additionally, three out of four AVID graduates who apply to four-year colleges or universities are accepted.

Over the past 30 years, AVID has become one of the most successful college-preparatory programs for low-income, underserved students and today reaches approximately 400,000 students in nearly 4,500 schools in 45 states and 16 other countries.

#### **The AVID Student Profile**

AVID students are intrinsically motivated students with academic potential. Potential AVID students must have a desire and determination to succeed. They are willing to commit to enrollment and success in the rigorous coursework necessary to ensure college eligibility.

#### **What Happens in the AVID Class?**

AVID students complete college and career readiness activities and assignments to prepare them for the rigors of college. AVID students commit to bi-weekly binder checks, taking notes, and writing reflections for all classes, including electives. Students engage in tutorials two times each week with tutors who guide and support them. AVID students commit to extracurricular participation and community service. They will also engage in career, college, and financial aid research.

### **Progress Grades**

Student academic progress reports will be issued to students in September, November, February, and April. Progress reports are not recorded on students' permanent records (transcripts). No credit is earned from the progress report. Final grades will be issued at the end of the semester in December and May.

Each course grade indicates the cumulative grade of academic progress. If a student has nine (9) unexcused absences noted on the last progress report, the progress report is a notification of a

potential No Credit (NC) grade for excessive absences. Progress report cards are mailed home one (1) week after the close of the grading period. Students and the Dorm Manager have access to the progress reports.

## Semester Grades and Credit Configurations

Grades matter, and students are expected to maintain their high school grade point average, overall college GPA, eligibility to participate in extracurricular activities (athletics and clubs/organizations), and their eligibility for scholarships. Semester grades indicate progress for the full semester and are recorded on students' transcripts (permanent records). Credit is gained by passing courses (with at least a D). Failing grades at the semester may affect the 4-year plan or graduation status.

The school year is divided into two semesters; 1st semester ends in December and 2nd semester ends in May. Report cards are mailed home one (1) week after the close of the grading period.

**The following will be used to calculate Grade Point Average (GPA):**

| <u>Regular Academic Grades:</u> |               |                | <u>Honors Academic Grades:</u> |                |
|---------------------------------|---------------|----------------|--------------------------------|----------------|
| A                               | Superior      | 4 grade points | 90 – 100%                      | 5 grade points |
| B                               | Above Average | 3 grade points | 80 – 89 %                      | 4 grade points |
| C                               | Average       | 2 grade points | 70 – 79%                       | 3 grade points |
| D                               | Below Average | 1 grade point  | 60 – 69%                       | 2 grade points |
| F                               | Failing       | 0 grade points | 59% and below                  | 0 grade points |
| NC                              | No Credit     | 0 grade points | Excessive absences             | 0 grade points |

the transcripts are available on site. Unofficial transcripts may be faxed or emailed to the individual. Unofficial transcripts may be sent within 48 hours.

## **Maintenance and Control of Student Records**

Sherman Indian High School maintains student educational records in accordance with the Family Educational Rights and Privacy Act (FERPA), Bureau of Indian Education (BIE) policies, and other applicable federal laws and regulations. The school is responsible for ensuring that student records are accurate, secure, confidential, and accessible only to authorized individuals.

Student records are maintained for educational, administrative, legal, and reporting purposes and may include academic, attendance, disciplinary, health, special education, and other information directly related to the student's educational program.

The school shall:

- Maintain student records in a secure manner to protect the privacy and confidentiality of students and families.
- Limit access to student records to authorized school officials who have a legitimate educational interest in the information.
- Ensure that records are protected from unauthorized access, alteration, disclosure, or destruction.
- Retain and dispose of records in accordance with federal regulations, BIE policies, and approved records retention schedules.
- Provide parents/guardians of students under 18 years of age and eligible students 18 years of age or older with the opportunity to inspect and review educational records as permitted by law.
- Maintain documentation of requests for and disclosures of educational records when required by law.

Parents/guardians and eligible students may request access to educational records by submitting a written request to the Principal or designated records custodian. Requests for correction of information believed to be inaccurate, misleading, or in violation of the student's privacy rights may also be submitted in writing.

Student records may be transferred to another educational institution upon a student's enrollment or transfer in accordance with applicable laws and regulations. Personally identifiable information from student records will not be disclosed without appropriate consent except as authorized by FERPA or other applicable laws.

Sherman Indian High School is committed to safeguarding student information while ensuring that records are properly maintained to support student success, educational continuity, and

compliance with federal requirements. Questions regarding the maintenance, control, or release of student records should be directed to the school administration.

### **Withdrawal Grades**

Sherman Indian High School **DOES NOT** post withdrawal grades on a transcript.

### **Transfer of Student Records**

When a student transfers to another school, this school shall forward a copy of the student's mandatory permanent records upon request from the receiving district or private school. The original or a copy of these records shall be permanently retained by this school.

Student records shall be updated before they are transferred.

Student records shall not be withheld from the requesting district because of any charges or fees owed by the student or parents.

If the school is withholding grades, diploma, or transcripts from the student because of her or his damage or loss of school property, this information shall be sent to the requesting district along with the student's records.

### **Post Secondary Life**

The school counselor encourages all students to develop multiple post-secondary plans—such as a primary goal, an alternative option, and a backup. They also holds periodic conversations with students about college, military options, and career interests.

The counselor will help students understand the process for preparing for college and assist with the college application process and applying for scholarships. It is essential that students take an active role in applying to colleges by meeting all deadlines for colleges and by completing associated tasks, such as submitting any paperwork and online financial aid documentation.

The University of California (UC) and California State University (CSU) systems require students to meet the “a–g” subject requirements, which are generally considered among the most rigorous in the country. While each college and university has its specific admission requirements, students who fulfill the “a–g” requirements typically meet the basic criteria for many other institutions as well. In addition to the “a–g” coursework, California schools will consider your GPA, college entrance exam scores, and, in most cases, require a personal statement or essay.

It is essential for students and parents/guardians to understand that simply meeting the minimum GPA requirement does not guarantee admission. Gaining acceptance into a four-year college or university is a highly competitive process. Students are encouraged to begin exploring colleges and universities as early as 9th grade, print out the freshman admission requirements for the schools they are interested in, and schedule an appointment with their School Counselor.

### FAFSA (during the senior year)

The month of October kicks off the financial aid process. It starts with the **Free Application for Federal Student Aid (FAFSA)**. There is no charge to fill out the FAFSA. It is the first step in the financial aid process. The federal government uses this form to determine eligibility for federal financial aid for colleges, which may include grants, scholarships, work-study, and loans. The School Counselors host FAFSA Workshops in November, December, January, and February. Completing the FAFSA will require teamwork. Some sections are to be completed by the senior, and others by the parent or guardian.

### IMPORTANT THINGS TO KNOW:

- K–12 education in the U.S. is free, but college is not—this requires a shift in mindset when planning for higher education.
- The federal government and individual states offer resources to help make college more affordable.
- Submitting the FAFSA is the joint responsibility of the student and their parent/guardian.
- The FAFSA can only be submitted electronically and must be signed by both the student and one parent/guardian.
- You will need to provide tax information during the FAFSA application process.
- FAFSA deadlines vary: each college has its own deadline, and each state sets a separate deadline. It is the student’s responsibility to know and meet both. We strongly recommend submitting the FAFSA by December.
- Many tribes require students to submit the FAFSA and include a copy of their Student Aid Report (SAR) when applying for tribal higher education scholarships.
- The most up-to-date FAFSA information is available at <https://studentaid.gov>.

### Academic Awards/Recognitions

| HONOR SOCIETY                                                                                                                                                                         | ACADEMIC PRINCIPAL’S LIST                                                                                                       | ACADEMIC HONOR ROLL                                                                                                         |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Sherman has a school Honor Society for students who have achieved a GPA of 4.0 and higher for the term and no grades of D or F. These students are rewarded at an honor roll banquet. | The Academic Principal’s List is for students who have achieved a GPA between 3.5 and 3.9 for the term and no grades of D or F. | The Academic Honor Roll is for students who have achieved a GPA between 3.0 and 3.49 for the term, and no grades of D or F. |

### National Honor Society

National Honor Society (NHS) is a nationwide organization that recognizes students who demonstrate academic strength in the areas of *scholastic excellence, service, leadership, and character*. Sherman students who have a cumulative GPA of 3.2 or higher are eligible to be selected to NHS, provided they have not been in trouble and have exhibited good attendance and leadership skills. Sophomores, Juniors, and Seniors are eligible for membership and are expected to maintain NHS standards for the rest of their high school years. Students may be dismissed from NHS if their GPA falls below a 3.2, if they receive multiple incident reports, or violate any other NHS rules. Students will be placed on probation before their dismissal as a way of addressing their behavior prior to being dismissed.

### **Valedictorian and Salutatorian**

Students who are considered for the honor of Valedictorian or Salutatorian must have a minimum GPA of 3.5, have attended Sherman continuously during their *junior and senior year*, and complete high school *within four (4) years* with no suspensions or expulsions during that time. Candidates also *cannot have any major referrals* during their senior year. The Valedictorian is awarded to the student with the highest cumulative GPA. Salutatorian is awarded to the student with the 2nd highest cumulative GPA and is not selected until second semester final grades for their senior year have been verified.

## **Admission/Registration**

All prospective students are subject to an administrative records review prior to admission, as applicable. A parent or guardian's signature is required before the application can be submitted for approval. All students must complete all required pages of the application and meet the following conditions and requirements:

- Each student must provide an up-to-date immunization record. All children shall be immunized in accordance with the regulations and requirements of the standards of the Indian Health Service or the state in which they attend school.
- Students who apply for admission must demonstrate membership in a federally recognized tribe.
- If a student cannot demonstrate membership, he or she must demonstrate that he or she is a direct descendant of an enrolled member of a federally recognized tribe and be at least one-fourth total degree Indian blood. The student must also provide a Certificate of Indian Blood (CIB)
- Each student must provide a birth certificate or other documentation establishing guardianship or parentage.
- To enter high school, incoming freshmen must provide proof of successful completion of eighth grade requirements.
- Students who have had previous disciplinary issues at Sherman Indian High School or at a prior school may be required to sign a behavior contract as a condition of enrollment. This contract will outline specific expectations and responsibilities to support the student's success and maintain a safe, respectful school environment. Refusal to sign

the behavior contract or failure to meet its requirements may impact the student's enrollment status at Sherman Indian High School

- To enroll, each student must have all current transcripts (grades, credits, and attendance) and test data (state and EL).
- Transfer students must enroll within the first 10 days of the fall or spring semester. All transfers are subject to administrative approval.
- The school accepts transfer students only if there is space available within their proposed schedules/grades.
- Upon admission, students must inform the principal or registrar if they have any known medical issues, including food allergies. School officials disclose this information to the appropriate staff and make referrals to the school's Section 504 Coordinator.
- The school may deny students enrollment if they pose direct threats to the health, safety, or welfare of staff, faculty, students, or themselves.

## **Closed Campus**

Sherman Indian High School has a closed campus policy. A **closed campus** restricts students from leaving the school grounds unless involved in a school-sanctioned event/activity. Under a closed campus policy:

- Students **must remain on school property**.
- Students are allowed off-campus so long as they are accompanied by staff member or are signed out by an immediate family member/guardian (listed on their official school check-out form).
- If a student leaves campus (e.g., for a doctor's appointment, overnight leave, etc.), it requires **school authorization**.
- The goal is to provide **student safety, maintain accountability**, and ensure that students are supervised throughout their enrollment at Sherman Indian High School.

## **Attendance Policy**

All Sherman students are expected to be in class before the final bell finishes ringing. Students who are not in class by the time the bell stops ringing will be considered **tardy**. Students can be marked tardy or absent if they fail to return to class from a bathroom break in a timely manner. Students receiving multiple tardies will be subject to lunch detention, after school detention or Saturday School, as necessary.

Students who fail to attend class (do not show up) will be given an unexcused absence. A student who receives an unexcused absence will also be assigned Saturday School or in-dorm restriction for the weekend.

Saturday School will be held on Saturdays from 12 – 5 PM. **Students must report at 12 PM.**

- 3 tardies = Lunch Detention
- 5 tardies = After School Detention

- 7+ tardies = Saturday School
- 2 Unexcused Absences = 5 hours of Saturday School
- Failure to attend Saturday School = Saturday School and dorm restriction (intervention to determine if the student should remain enrolled at Sherman Indian High School)
- In addition, any student that has detention or Saturday School assigned will not be eligible for off campus trips until that obligation is satisfied.

The absence and tardy list will be posted on Mondays at the Attendance Office across from the library. Anyone whose name is on the list will have an opportunity to clear tardy or absence. It is the students' responsibility to clear absences and tardies and will have until Wednesday to do so. Attendance Verification slips will be available in the Attendance Office. The Attendance Verification slips are due by 3:30 PM on Wednesdays to the Attendance Office, and the final Saturday School list will be posted on Friday, and your teachers and dorms will be notified.

## Absences

Any student who is absent from classes, whether excused or unexcused, for ten (10) consecutive instructional days will be considered withdrawn from Sherman Indian High School (BIE ISEP Policy).

### Excused Absences

A student's absence may be excused if:

- 1) The student has a medical, dental, optometric, or chiropractic appointment.
- 2) Student Illness: If the student is home due to illness or is allowed to stay in the dorm because he or she is not feeling well.
- 3) Parental Counseling (Traditional Ceremonies/Religious Services/Bereavement): Students may return home for any form of counseling and/or ceremonies that the parent deems appropriate for the student. Leave to attend the funeral services of an immediate family member is considered Parental Counseling. Note: This type of **leave is limited to five instructional days per semester**. Parental counseling requests must be approved by the school administration seven (7) days ahead of travel. **All Travel expenses will be paid by the family**, not by the school.

### Unexcused Absences

If a student does not report to class, and is not at an appointment, on home leave, or in the dorm, then the student will have an Unexcused Absence. A student missing more than ten days of a semester class without acceptable excuses will receive **No Credit (NC)** and will not receive credit for the course(s). Notification of unexcused absences may also be sent to relevant probation officers, social workers, and caseworkers.

Unexcused Absences include:

- Ten (or more) Home Leave Absences – no matter the reason. Note – Home Leave is different than Parental Counseling.
- Early Leave – this includes leaving before the end of the semester or for a holiday,

unless pre-approved by the school administration.

The parent or guardian who requests early leave for the child must:

- Have the Principal's or designee's approval **seven** (7) days ahead of time prior to the student's departure.
- Have the student complete any exam(s) or final exam(s). Teachers do not have to provide those exams; it will be at their discretion.
- Adhere to the **ten** or fewer days of unexcused absences (including days missed due to leaving early) to receive credit in classes.
- If a student is leaving school for a holiday (Thanksgiving and Easter), the parents or guardians **must** submit a request by fax no later than one week (7 days) prior to the student leaving. Any request received with fewer than 7 days may be denied.
- Students leaving for the Thanksgiving holiday cannot leave any earlier than Tuesday after school, and need to return to campus by 6:00 pm, Monday after Thanksgiving.
- Students leaving for the Easter holiday cannot leave any earlier than Wednesday before Easter and must return to campus by 6:00 pm on Monday after Easter.
- Students leaving early due to discipline may not receive credit for their classes.

**PARENTS/GUARDIANS: DO NOT BOOK TRAVEL UNTIL YOUR REQUEST HAS BEEN APPROVED.**

Also note the following:

- The parent or guardian is responsible for all transportation costs as a result of leaving early.
- The student is responsible for making up any missed work during absence. It is the student's responsibility to inform his/her teachers of early leave and obtain any assignments.
- Students leaving more than 10 days before the end of the term (for unexcused reasons) will not receive credit.

**AWOL**

Any student caught off campus, or who cannot be found on campus, at any time, will be written up for being Absent Without Leave (AWOL). Students who are written up for AWOL will be recommended for suspension or expulsion, and due process procedures will be applied.

**Hall Passes**

The official SIHS pass (date, time, and teacher/staff signature) may only be written to one specific place; students are not to use passes to go anywhere else (no wandering). This pass must be presented to any administrator, faculty, or staff member upon request. Furthermore, any student needs to provide identification or information to any staff member upon request. One pass is necessary for each student. Students without an appropriate pass will be escorted to a school administrator or designee. If a student with an appropriate pass is out of class for an excessive amount of time, the student may be similarly referred for disciplinary follow-up. Time limits must

be placed on passes by the person writing the pass.

## **Academic Support**

### **Special Education**

#### **Individuals with Disabilities Education Act (IDEA)**

The school complies with the [Individuals with Disabilities Education Act \(“IDEA”\)](#) 20 U.S.C. §§ 1400 et seq., P.L. 108-446) and its implementing regulations (34 C.F.R. Part 300). Disciplinary actions taken against a student covered under IDEA will be done in accordance with BIE’s Notice of Procedural Safeguards, available at <http://www.bie.edu/cs/groups/xbie/documents/text/idc1-032083.pdf> and BIE Special Education Practices and Processes. <http://www.bie.edu/cs/groups/xbie/documents/text/idc-020377.pdf>.

These documents will be provided in accordance with 34 CFR § 300.504 and to any parent/guardian or student upon request. **If there is a conflict between this Handbook and the Special Education Practices and Processes or Notice of Procedural Safeguards, the school will follow the Special Education Practices and Processes or Notice of Procedural Safeguards.**

### **504 Plan**

#### **Section 504 of the Rehabilitation Act of 1973**

The school will comply with the requirements of the [Rehabilitation Act of 1973, 29 U.S.C. §§ 794 \(Section 504\)](#) and the U.S. Department of Interior implementing regulations (43 C.F.R. 17.501-17.570 (Subpart E)). Section 504 of the Rehabilitation Act of 1973, commonly called “Section 504,” is a federal law that protects students from discrimination based on disability. Section 504 assures that students with disabilities have educational opportunities and benefits equal to those provided to students without disabilities. To be eligible, a student must have a physical or mental impairment that substantially limits one or more major life activity.

Pursuant to Section 504, the school is responsible to identify, evaluate, and determine eligibility, as well as, providing accommodations and services to eligible students with disabilities. BIE has adopted requirements for Section 504 in the Indian Affairs Manual (IAM). To access this policy online: <https://www.bia.gov/policy-forms/manual> or contact the school Section 504 Coordinator.

#### **504 and Discipline**

Students with disabilities are not exempt from school discipline codes. However, the student’s disability is considered when determining the appropriate disciplinary response for a 504 student. Special considerations apply to the long-term suspension of students with disabilities under Section 504. If a behavior is not related to a student’s disability, then the disciplinary consequences are the same as for any other student without a disability. The vehicle for assessing the link between a behavior and a disability is a manifestation determination meeting, in accordance with the BIE’s Section 504 Chapter of the IAM, Chapter 15, Section H- Section 504 and Discipline.

Short-term removals (suspensions or expulsions for either 10 consecutive days or 10 days in aggregate) do not require more than normal due process. However cumulative short-term removals totaling more than 10 school days may be considered a “change in placement” and trigger certain procedural safeguards under Section 504, including an evaluation to determine if the conduct was caused by or

related to the student's disability. This evaluation should take place no longer than 10 school days after the decision to take disciplinary action is made. Prior to the meeting, the school shall:

- Give notice of the disciplinary decision and of the Section 504 procedural safeguards to the parent or guardian, no later than the date on which the decision to take disciplinary action is made;
- Notify the parent or guardian in writing, immediately, if possible, but no later than 10 days after a decision to conduct the evaluation;
- Notification should include identification of time, date, and participants who will be in attendance;
- Parents or guardian should participate in the meeting; however, if they refuse to attend, they should be given a copy of the final report.

The following steps must be followed during the evaluation meeting:

- The name of each participant who is present must be recorded.
- The student's Section 504 team must make the determination of whether the misconduct is related to the student's disability.
- Attendees must consider all relevant information in the student's file, including: the student's Section 504 Plan, any teacher observations, and any relevant information that is provided by the parents.
- A review of the incident at issue, including: the who, what, when, where, why, and how of the specific incident under review.
- The team must determine, after reviewing relevant information in the student's file and the incident review:
  1. Whether the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability; or,
  2. If the conduct in question was the direct result of the school's failure to implement the student's Section 504 Plan.

If the Section 504 team determines that the conduct was a manifestation of the student's disability or that the conduct in question was the direct result of the school's failure to implement the student's Section 504 Plan, then the school must take immediate steps to remedy those deficiencies.

If the Section 504 team determines that the behavior was a manifestation of the disability, then the school cannot carry out any discipline that would exclude the student on the basis of their disability. Instead, the IAM requires that the Section 504 team must conduct a functional behavior assessment (FBA) and create a behavior intervention plan (BIP) for the student. If the student already has a BIP, the team must review the plan and modify it as necessary to address the behavior that is at issue.

If the Section 504 team determines that the behavior is not a manifestation of the student's disability, then the relevant disciplinary procedures may be applied to the student with the disability in the same manner and for the same duration that they would be applied to a student without a disability.

For offenses related to drugs and alcohol, schools may take the same disciplinary actions against students with and without disabilities, and such offenses are excepted from the Section 504 disciplinary procedures that are set forth in the IAM.

A school is not required to permit a student with a disability to participate in or benefit from services, programs, or activities when that student poses a direct threat to the health or safety of others. A direct threat means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices, or procedures, or by the provision of auxiliary aids or services. In determining whether a student poses a direct threat to the health or safety of others, the student's Section 504 team must make an individualized assessment, based on reasonable judgment that relies on

current medical knowledge or on the best objective evidence, to ascertain: the nature, duration, and severity of the risk; the probability that the potential injury.

Section 504 Eligible students also have the right to an appropriate educational placement and any needed services, the right to notice, and the right to review relevant education records during the disciplinary process.

## **504 Rights and Procedural Safeguards**

### **Education**

As an eligible student with a disability, you have the right to:

- participate in and benefit from the school's educational programs without discrimination based on disability
- receive needed accommodations under Section 504 of the rehabilitation act of 1973
- participate in the school's nonacademic and extracurricular activities
- receive services that are comparable to those provided to students without disabilities
- receive accommodations and/or auxiliary aids and services to allow for participation in school activities
- receive auxiliary aids and services without cost to allow for participation in school activities. This does not include educational aids unrelated to your child's disability for which fees are imposed on parents/guardians of all children, and
- receive special education services, if needed.

### **Gifted And Talented Education**

An Individual Education Program (IEP) will be created for students with great potential in any one or more of the following areas: critical thinking, creativity, intelligence, academic aptitude, leadership, or aptitude in visual or performing arts.

### **Title I**

Title 1 funding is school-wide. It provides financial assistance to schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards.

## **Extra-Curricular Participation**

This area of Federal law requires schools and colleges receiving any Federal funding to provide equivalent curricular and extracurricular programming for students regardless of gender.

### **High School Athletics**

#### **Eligibility**

Athletic participation is a student privilege and is limited to four seasons per sport. Students are eligible for no more than eight semesters of competition beginning with their enrollment in the ninth grade. Fifth-year students are not eligible to participate in athletics. Additionally, students who turn 19 years old before June 15 are ineligible to participate. If you have any additional questions, please contact the Athletic Director.

#### **Physicals**

All students—including incoming freshmen and transfer students—must have a current physical examination on file, along with any required medical clearances. Physical exams must be dated within the past year. Forms are available from the registrar.

### **Transfer Students**

Transfer students must also complete the necessary eligibility paperwork with the Athletic Director before participating in any sport.

### **Grade Checks**

Student athletes and managers must maintain a 2.0 GPA to play, per CIF athletic association rules. The athletic director, coaches, and staff conduct grade checks throughout each grading period. An eligibility list is posted by the athletic director after each grading period.

### **Student Government**

Student government is organized according to the Sherman Indian High School constitution. Inter-Tribal Council and class officers are elected in the fall of each school year. Candidates must be in good standing in the academic department, as well as model appropriate student behavior in both the academic and residential departments according to the Student Code of Conduct. Student may not have any major disciplinary referrals in the semester prior to or during their stay in office. Student Council will be governed by established by-laws and required to sign a contract regarding academic, behavioral, and participatory expectations. Student Council members who violate these expectations will be removed.

### **Miss Sherman**

This position is selected each spring through a multi-faceted competition and holds a Student Council position at school. Miss Sherman represents the school in various local and regional events and communities. Miss Sherman will be a Junior or Senior during the academic year in which they are selected. A candidate for Miss Sherman must have been a student at Sherman Indian for the full academic year prior to the competition. In addition, all candidates must be in good standing in the five areas listed below. Failure to maintain the eligibility criteria during their tenure may result in the removal of their position.

- Academics – must have a 3.0 or higher GPA that must be maintained throughout the year of their office for all classes, with no D or F grades
- Attendance – must have good attendance with no AWOLs
- Dorm – must be a positive example to others in their residential life
- Behavior – must not have any major discipline referrals (both in the year prior to being selected and during the year serving as Miss Sherman)
- Character – must be a positive role model.

## **School Wide Policies**

### **Violence/Sexual Harassment/Bullying Policy**

***The following behaviors are not permitted and are subject to discipline in accordance with the policy outlined below. Further, violation of these policies will result in parent notification and may result in notification of local law enforcement.***

1. **Physical Abuse:** Includes, but is not limited to, any physical contact not invited by the recipient, including hitting/kicking/pinching, spitting on someone, tripping/pushing, taking or breaking someone's things.
2. **Sexual Harassment:** Sexual harassment includes, but is not limited to, any unwelcome physical, verbal, or visual conduct of a sexual nature. This may involve inappropriate comments, gestures, jokes, or advances. It also includes the creation of a sexually hostile environment through the display, sharing, or posting of sexually explicit materials—whether in person or through digital means such as social media, text messages, emails, websites, or other online platforms.
3. **Verbal Abuse:** Includes, but is not limited to, any derogatory speech directed at an individual or spoken in a public setting. This includes vulgarity, cursing, and sexual innuendo. Verbal abuse also includes teasing, name-calling, taunting, and threatening to cause harm.
4. **Nonverbal Abuse:** Includes, but is not limited to, rallying other children not to be friends with someone, spreading rumors, or causing someone to be subject to public ridicule.
5. **Hazing:** Hazing in any form is strictly prohibited and will not be tolerated. This includes initiations, harassment, humiliation, or ridicule of any kind. Hazing refers to any intentional or reckless act—whether committed individually or as part of a group, in person or in writing—that places another student at risk of physical injury, emotional harm, or personal degradation.
6. **Bullying:** Sherman Indian High School maintains a zero-tolerance policy for bullying in any form. Bullying is strictly prohibited in all areas of campus, including dormitories, classrooms, common areas, and athletic facilities. This policy also applies to locations immediately adjacent to the dorms, at all dorm-sponsored or school-related events (whether on or off campus), at dorm bus stops, and on any vehicles owned, leased, or used by the school or dormitory.

**Bullying also includes cyberbullying**—any form of harassment, threats, or intimidation carried out through digital means. This includes social media platforms, text messages, emails, online forums, gaming platforms, or any other virtual communication tools. Bullying that originates off campus but affects a student's well-being or school environment is also subject to this policy.

All students have the right to feel safe and respected. Any reports of bullying—whether in person or online—will be taken seriously and addressed promptly in accordance with school policy.

## **Drugs and Alcohol Policy**

The school campus and dormitories are designated drug-free environments. The use, possession, or distribution of alcohol, drugs, smoking or vaping products, chewing tobacco, controlled substances, or related paraphernalia is strictly prohibited in the dormitories, on dorm property (including surrounding grounds), in dorm vehicles or buses, and at any dorm-sponsored activities. Violations of this policy will be addressed through the established disciplinary process.

## **School Search and Seizure Policy**

To ensure the safety and well-being of students and staff, and to maintain order and discipline on school property and at school-sponsored events or activities, school authorities reserve the right to conduct searches of a student's person, room, locker, desk, luggage, electronic devices, cell phones, or other personal belongings under the circumstances outlined below. Any illegal, unauthorized, or contraband items, as well as evidence related to potential policy violations, may be confiscated in accordance with the accompanying regulations.

- The Principal or the Principal's designee (Vice Principal, Academic Department Head, Home living Specialist, or any other designated staff) may conduct searches when there are reasonable grounds to suspect that such a search will uncover evidence of a violation of school policies, school rules, or federal, state, or local laws.
- The scope of a search of a student's person or personal belongings, as well as the methods used, must be reasonably related to the objectives of the search. The search must not exceed what is warranted by the nature of the suspected violation and must consider privacy concerns based on the student's age and gender.
- Dorm rooms, lockers, desks, and other storage areas provided for student use on school premises are the property of the school and remain under the school's ownership and control. As such, they are subject to inspection at any time. A student's personal space will be respected unless there is reasonable suspicion related to safety or potential rule violations.
- Whenever possible, students will be present during the entry into their rooms and during any search and potential seizure procedures.
- Non-aggressive, passive searches by detection canines trained to locate controlled substances (such as illegal drugs, alcohol, gunpowder, and both legal and illegal medications) may be conducted on a random, unannounced basis. Areas subject to canine inspection may include classrooms, dorm rooms, personal property, and other student-accessed spaces. The dogs will not directly search a student's person.
- The Supreme Court has ruled that the detention and questioning of students by school officials on school grounds—and the search of a student's person, room, and property—do not violate the Constitution as long as there is “reasonable suspicion.” Courts have also upheld the right of schools to use detection canines to passively search rooms, areas, and belongings.

**Reasonable suspicion** for search and seizure of illegal, unauthorized, or contraband items may include, but is not limited to:

- A positive indication by a detection canine
- Reasonably credible information from another student
- Reasonably credible information from a non-student source
- Staff detecting the smell of drugs or alcohol
- Observable behavior or physical symptoms consistent with intoxication (e.g., red eyes, unsteady gait)
- A positive drug test
- Alcohol, drugs, or drug paraphernalia observed by staff.

**Students and their belongings may be searched under the following circumstances** (additional searches may be conducted as needed):

- Upon entering campus
- When leaving campus
- Upon returning after off-campus leave, school activities, or dormitory trips.

Possession of prohibited items may result in consequences including arrest by local law enforcement, referral, suspension, expulsion, or a combination of these actions.

## **Dress Code Policy**

Students are required to conform to the school's dress code from the time they arrive on school property until they depart from school property. This includes the school bus, academic building, and dormitory.

- Logos/graphics on clothing (tops/bottoms) and accessories (backpacks, purses, bags, belts, shoes, wristbands, shoelaces, coats, headgear, gloves) must NOT contain foul language, sexual innuendo, references to sex, drugs, alcohol, violence, and/or death
- Bottoms/ Lower Body Clothing (pants, short cuts, and skirts) must fit at the waistline
- Clothing must cover cleavage, bellies, shoulders, backsides, and undergarments should not be visible
- Leggings/jeggings can be worn under a tunic, skirt, or dress but not alone
- Students should wear proper footwear
- Gang-related attire, accessories, insignia, and colors are prohibited
- Chains, spikes, brads, adornment, or any other accessories that may be used as a weapon or damage school property are NOT permitted
- Face painting, masks, and excessive makeup that hide one's face is not allowed
- The use of non-prescription decorative contact lenses (e.g., cat eyes, vampire eyes) that cause distraction to the educational process is prohibited

**Personal headphones/ear buds/AirPods are to be kept out of sight while in class**

## **Student Hearing Rights and Procedures (25 CFR § 42.8)**

Sherman Indian High School is committed to ensuring that students receive fair and impartial treatment in disciplinary matters. In accordance with 25 CFR § 42.8, students are afforded specific due process rights when subject to formal disciplinary hearings that may result in long-term suspension, expulsion, or other significant disciplinary actions.

When a formal disciplinary hearing is required, the student and parent/guardian will be provided notice of the hearing and an opportunity to participate in the process. The hearing will be conducted in a manner that protects the rights of the student while maintaining a safe and orderly educational environment.

During a formal disciplinary hearing, students have the right to:

- Be informed of the alleged violation(s) and the evidence supporting the allegations.
- Receive advance notice of the date, time, and location of the hearing.
- Present their version of events and respond to the allegations.
- Present relevant evidence and documentation.
- Request that witnesses with relevant information be heard, when appropriate.
- Question or respond to evidence presented during the hearing, consistent with school procedures.
- Be accompanied and assisted by a parent/guardian, advocate, or representative at the hearing.
- Receive a decision based upon the evidence presented during the hearing.
- Receive written notification of the hearing outcome and any disciplinary action imposed.
- Appeal disciplinary decisions in accordance with Bureau of Indian Education (BIE) regulations and school procedures.

Formal disciplinary hearings will be conducted by an impartial hearing official or committee designated by the school. Hearing decisions will be based on the facts presented and the student's disciplinary history, when appropriate. A written record of the hearing and decision will be maintained in accordance with applicable laws and regulations.

Nothing in this policy prevents the school from taking immediate action when a student's presence poses a threat to the health, safety, or welfare of students, staff, or the school community. In such cases, the student will be provided with the appropriate due process protections as required by law.

Questions regarding student hearing rights, disciplinary procedures, or appeals should be directed to the Principal or designee.

### **Public Display of Affection (PDA)**

Students will conduct themselves in a manner that will convey a positive image about themselves.

Hickeys and/or excessive public displays of affection are not considered respectful or positive.

Administration, faculty, and staff will counsel with students whom they believe are not meeting these standards. Students who are 18 years of age or older should not be in a relationship with anyone under 18 years old, as it carries the potential to violate Public Law.

Any behavior beyond hand-holding is considered inappropriate on campus or at school activities. Students who fail to conduct themselves in a manner that is respectful will be subject to disciplinary action, as determined by the administration or designee.

### **Computer/Internet Usage Policy**

The primary purpose of the Internet connection is for educational pursuits. In formulating this policy, the school recognizes that students have a constitutional right to freedom of speech. However, that right is not unlimited, and we encourage students to be thoughtful about their words and actions.

- 1) The system administrator and the school principal have determined what constitutes inappropriate use of the school's computer system and equipment. Inappropriate use includes but is not limited to the following activities:
  - a. Sending or displaying offensive/ pornographic/threatening/subversive images and messages
  - b. Accessing, viewing, or transmitting material related to drugs, alcohol, gangs, sexual activity, or hate groups
  - c. Tampering with or damaging school computer equipment and/or system
  - d. Violating copyright laws
  - e. Allowing others access to username and password
  - f. Using another user's username and password. Trespassing in another user's account, folders, and/or files
  - g. Using a proxy server to bypass system network filters and controls
  - h. Using the school's BIE Internet system for commercial activities, or making personal purchases
  - i. Cyberbullying, which may include mean text messages or emails, rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles.
- 2) Violations will result in loss of access, confiscation of equipment, and/or further

disciplinary or legal action, and:

- a. Any cost/expense incurred by the user becomes the liability of the user.
- b. Students or their guardians will be billed by the school for any loss or damage to computer systems or equipment resulting from inappropriate use, as outlined above.

3) All computer network usage is subject to BIE/Federal filtering and monitoring.

Therefore, be reminded that there is no expectation of privacy.

Students must have a current signed Student Computer/Internet Usage Policy and Agreement on file before they can use the Internet on any of the school computers.

Students may use electronic devices in the classroom with teacher permission, only if the devices are part of an organized classroom activity. If a student violates these rules, the school may revoke their electronic device, submit it to the front office, or a designated administrator. The school returns the device to the student or parent/guardian at a designated time, as determined by the school administrator.

Any misuse after school hours of electronic devices will result in the electronic device being confiscated, and turned over to the Home living Supervisor/school security, or designated school administrator, and returned to the student/parent at a designated time as determined by the school administrator. Violations may also result in disciplinary action as outlined above. The school is not responsible for loss or damage to students' personal property brought onto the school campus.

-

## **Artificial Intelligence (AI) Acceptable Use**

As part of the Bureau of Indian Education's Strategic Transformation of Education initiatives and Sherman Indian High School's commitment to preparing students for college, careers, and the future workforce, students may have opportunities to use artificial intelligence (AI) tools to support learning, creativity, research, and problem-solving.

Artificial intelligence technologies can enhance learning when used responsibly, ethically, and in accordance with school expectations. Students are expected to use AI as a learning support tool rather than a substitute for their own thinking, effort, and academic work.

### **Acceptable Uses of AI**

Students may use approved AI tools for educational purposes, including:

- Brainstorming ideas for projects, essays, and presentations.
- Receiving feedback on writing, grammar, and organization.
- Supporting research and inquiry activities.
- Assisting with study guides, practice questions, and academic review.

- Exploring career pathways and college readiness opportunities.
- Developing technology, coding, and digital literacy skills.
- Enhancing creativity, innovation, and problem-solving activities as directed by teachers.

### **Prohibited Uses of AI**

Students may not use AI to:

- Complete assignments, assessments, or examinations in a manner that violates teacher expectations or academic integrity requirements.
- Submit AI-generated work as their own without permission or proper acknowledgment.
- Generate false, misleading, harmful, discriminatory, or inappropriate content.
- Access, share, or create content that violates school policies or applicable laws.
- Circumvent learning objectives, grading procedures, or classroom requirements.
- Violate copyright, privacy, confidentiality, or intellectual property rights.
- Engage in cyberbullying, harassment, or other inappropriate online behavior.

### **Student Responsibilities**

Students using AI tools are expected to:

- Follow teacher directions regarding the use of AI for classroom assignments.
- Verify information generated by AI tools, recognizing that AI may provide inaccurate or incomplete information.
- Protect personal, confidential, and sensitive information.
- Use AI in a manner that reflects honesty, integrity, and respect for others.
- Comply with the school's technology, internet, and acceptable use policies.

### **School Authority and Monitoring**

The use of AI on school devices, networks, and educational platforms is subject to monitoring and review. Sherman Indian High School reserves the right to restrict, limit, or prohibit the use of specific AI tools that do not meet educational, privacy, security, or safety standards.

Violations of this policy may result in disciplinary action, loss of technology privileges, academic consequences, or other interventions consistent with school policies and the Student Code of Conduct.

Sherman Indian High School recognizes that artificial intelligence will continue to play an important role in education and the workforce. The school encourages students to develop the

skills necessary to use emerging technologies responsibly, ethically, and effectively while maintaining academic integrity and personal accountability.

### **Cell Phone Policy**

Students are not allowed to be on their cell phones after lights out, which is usually 10:00 PM during the school week. If a student is found on their phone after lights out, they will be given a warning. If a student is caught on their cell phone again after lights out, they will receive demerits in accordance with this Student Guide.

If a student is caught a third time on their cell phone, it will be confiscated for the rest of the evening and returned to them in the morning. Students who choose to be defiant and not hand over their phone peacefully may be subject to an SIR for Defiance of Authority.

If there is a fourth instance of being on a cell phone after lights out, the student will receive an SIR for Failure to Follow School Rules, which means they will be assigned to the **discipline program** once again.

We strongly urge students not to get into a power struggle with the staff over their cell phones.

There are other instances in which the dorm staff, or any other Sherman staff, may confiscate a student's phone. If staff believe that the student is bullying someone else, any threats of harm, any possible drug dealing, filming of fights, information about fighting, or anything else that is against the rules at Sherman, will all constitute confiscation of the cell phone. Any cell phone confiscated in these situations will be held by the school administration until the investigation is completed. Sherman may, depending on the severity of the situation, have local law enforcement look at a phone if we believe the student is participating in something illegal, either on or off campus.

### **School Activities and Field Trip Policy**

- The administration reserves the right to limit field trip participation to students with favorable behavior records (i.e., no write-ups for major infractions). Athletic participation requires passing grades in all classes as determined by *monthly* grade checks per Interscholastic guidelines.
- All field trips require written parental permission. Parents will be specifically notified about culturally sensitive field trips/projects; and a student may be assigned another activity if parent permission is not given.
- **All overnight field trips require a BIE School Field Trip Request Form which is subject to approval from the BIE-Associate Deputy Director.**
- **Student travel will be restricted during the following periods** (December and April – May) because of testing and school holiday schedules.

## **Student Mail and Deliveries**

When sending your student mail, please be sure to put his/her name and dorm name on the envelope or box. Please certify your mail if you are sending anything of value to your student. If your student does not receive their mail, please call the post office. The school mail is routed through the Arlington Station, and their number is (800) 275-8777.

Example: Sally Student

### **DORM NAME**

9010 Magnolia Ave.

Riverside, CA 92503

### **Deliveries**

***All deliveries (e.g., grocery, Instacart, Walmart, etc.) are only allowed on Saturday's and Sunday's from 9am-6pm***

***NO FOOD DELIVERIES ARE ALLOWED FROM UBER EATS, DOORDASH, GRUBHUB ETC AT ANYTIME***

All mail and deliveries (e.g., groceries, Instacart, Walmart, etc.) will be searched for prior to being released to the student. Additionally, any items purchased while off campus will be searched before students re-enter the government vehicle or bus.

## **Residential Life Program**

### **Residential Program Daily Operation**

Life in the dorms can be challenging, but the more active a student is, the less likely they are to get into trouble. We have developed a schedule that is designed to allow our students an opportunity to stay active. Below is a typical weekly schedule.

| Residential Schedule (with check-in times) 2026-2027 |          |                          |                        |          |                          |
|------------------------------------------------------|----------|--------------------------|------------------------|----------|--------------------------|
| Monday to Friday                                     |          |                          | (Minimum Day Schedule) |          |                          |

# **Homeliving Policies and Procedures**

## **Student Check-Out Policy**

Students may be checked out in accordance with the BIE Student Check-out Procedures (2014) attached as **Appendix B**.

## **Student Check-Out Procedure**

Authorization to check out a student is provided on the check-out form included in the Sherman acceptance packet. This authorization must be on record at each dormitory, in writing, setting the conditions and restrictions the parent or guardian wishes the school to uphold.

Authorization of other people not included with the original application packet to check out a student must be in writing to the principal or to the Home living Specialist, stating conditions and restrictions of the check-out authorization.

Overnight check-outs will be allowed during the school week only with parents or guardians (Sunday through Thursday) and with the approval of the Principal or Home living Specialist.

### **Any person who checks students out must:**

- 1) Be a parent/guardian or immediate family members approved by administration (25 years or older).
- 2) Parents and guardians are the only individuals allowed to check out students with the approval of the principal and/or Home living Specialists.
- 3) Provide a valid driver's license.
- 4) Provide proof of vehicle insurance.

### **Terms of Student Check-Out:**

- 1) The parent/guardian who physically checks out a student must be the same person who physically checks the student in **at the guard shack**. **Note: Students will be required to be dropped off at the guard shack, where a staff member will meet you.**
- 2) The parent/guardian who checks out the student must bring the student back at the specified time on the check-out form. A student may be checked out after the academic day and returned before the next academic day.
- 3) The parent/guardian checking the student out must have **two working contact phone numbers**.
- 4) In the event that a student will not be returned to Sherman at the specified time on the check-out form, the authorized adult must contact Sherman immediately and give an estimated time of arrival.
- 5) The student must remain in the physical custody of the authorized person at all times.
- 6) The person checking out a student assumes full responsibility for the student's safety and

well-being.

- 7) The person checking out the student must report any incidents or possible compromises of the student's well-being immediately to the student's dorm (such as illness, accident, interactions with law enforcement, drug, or alcohol use, etc.).
- 8) Students returning to campus **at any time** during their weekend pass will be considered checking in and will no longer be considered on leave.
- 9) Students not returning to their dormitories by the time noted on the checkout form may be considered AWOL.
- 10) Failure to abide by the above policies will negate the possibility of continuing to check out students.
- 11) All check-outs must conclude by 9:00 pm curfew unless pre-approved by the supervisor in charge at the time of check-out.
- 12) If a conflict arises concerning the student check-out process, the school supervisor or acting designee reserves the right to revoke any check-out privileges.
- 13) Any student, regardless of age, shall not be authorized to check themselves out (e.g., self-check-out) even if the student is 18 or older. Students may not be checked out by an adult less than 25 years of age or by anyone (including family members) under the influence of alcohol or drugs. The two exceptions to the 25-year age requirement will be if the parents/guardians are under 25 years of age, or if the student is under the custody of a family member who is under the age of 25. If the adult's age is in question, the school personnel will verify the adult's age.

#### **Check-Out by Administration, Faculty or Staff**

School personnel who are identified as family members of the student will be allowed to check a student(s) out with the approval of school administration.

Students will be allowed to attend school activities and events with school personnel supervision and government transportation. If these guidelines are not followed by the Sherman staff, future requests may be denied, and the staff member may be disciplined. Walking students off campus will require PRIOR approval by the Principal, Acting designee, or Supervisor in Charge of campus (SIC).

#### **Check-Out during Academic Day**

Check-outs during the academic day by school personnel will not be allowed. Students can be checked out in the dormitories once the school day has concluded.

#### **Check-Out Denial**

Sherman Indian High School leadership reserves the right to deny a check-out request at any time if the adult checking the student out is under the influence of drugs or alcohol or if the school staff member has other concerns about the student's safety.

### **Housekeeping**

The Residential Supervisor is responsible for managing the cleanliness of the residence hall and the grounds around the buildings. However, each student is expected to perform household chores in the residential halls. The chores should be completed before bedtime. A clean-living environment enhances the spirit and morale of the residents and employees. Cleaning assignments will be posted.

### **Appropriate room décor**

Students will keep their rooms free from inappropriate or sexually explicit materials, including posters, magazines, videos, and video games. Bunk beds are not to be taken apart and made into double beds.

### **Laundry**

Comply with the posted laundry facility community rules. Laundry hours for each of the residence halls will be posted.

## **Transportation and Student Travel**

Soon after your student has been accepted by Sherman Indian and has received an official notice from the School Registrar, the travel office will contact your student to arrange travel to the school. **NO TRAVEL** will be made without all required paperwork being on file with the school office. Dates and times for travel are coordinated with school start dates. ***The student travel coordinator's telephone number is (951) 276-6326.***

Travel will be made from the **home address on the student's application only**. Students will travel when scheduled. If circumstances do not allow for travel at the scheduled time, please be aware that travel **will only be rescheduled one time**. Any fees for rescheduling after that one time will be the responsibility of the parent/student/guardian.

Sherman Indian receives funding to provide four trips for your student: 1) one trip to school, 2) one trip home for winter break, 3) one trip returning from winter break, and 4) one trip home at the end of the school year. Sherman Indian does not receive funds for Thanksgiving, Easter or spring break travel, nor does Sherman Indian receive travel funds for bereavement situations and cannot fund travel for these events. Holiday and end of year travel will be made to the location that students came from at the beginning of the school year. The only exception to this policy is if there is an official change of home address on file with the registrar.

Modes of travel used by Sherman Indian vary depending on cost, time and convenience. The two major modes of travel include:

- Train – Amtrak makes a connection to Riverside, CA. The Amtrak station is approximately 10 minutes from the school campus.
- Airlines – Ontario International Airport (ONT) is located approximately 15 miles from campus. Shuttle services are available from the Airport to Riverside, CA.

\*Use of Greyhound buses is strongly discouraged due to safety concerns and the unavailability of a nearby depot for convenient travel to and from the school.

Once travel is booked for Christmas break (approximately November 15) and for the end of school year (approximately April 1), no changes can be made prior to the travel date. Any special travel needs must be communicated with the Travel Coordinator well before travel is booked.

### **Travel Tips**

All travelers need one photo identification with an expiration date, such as a state identification card. Beginning in May 2025, all travelers 18 years of age or older will be required to possess a Real ID to fly. This would include a federally recognized, tribal-issued photo ID or a state-issued driver's license or identification card complying with Real ID protocols. Travelers are advised to carry on snack food and should have enough cash for meals on the trip.

### **Luggage Tips**

Most travel vendors will allow one (1) carry-on bag and one (1) small personal item at no charge. **Sherman Indian will pay for one standard (not oversized or overweight) checked bag each trip. Additional bags or fees are the responsibility of the student.** Depending on the mode of travel, the checked baggage will have weight and size limitations. In cases where the luggage fee is unable to be prepaid, reimbursements will be made only with receipt and will be made to the student. Airports will not accept cash and will require a debit or credit card to pay. All travel vendors prohibit the transportation of weapons, controlled drugs and typically have limitations on the transportation of perishable items. Sherman Indian is not responsible for personal property. Any personal items left behind at the end of the year will be disposed of appropriately.

All additional luggage brought beyond the 1 paid bag that the school pays for must be taken home and paid for by the parent/student. Extra luggage will not be mailed home.

***For further information on what to bring to the dormitory see Appendix F***

### **Law Enforcement and Travelers**

Travelers are reminded that all federal and state laws apply to student travelers while in travel status. In the event a student traveler violates a state or federal law while in travel status, the traveler is subject to the requirements of the law; Sherman Indian has limited responsibility for the traveler.

If a traveler is removed from the bus, train or airline for a violation of the law, the traveler and guardian is responsible for the student and responsible for securing continued travel. Students violating state or federal laws while in travel status to or from Sherman Indian will be subject to the school disciplinary process, which may include revocation of admission and immediate return home.

### **Non-School Sponsored Travel:**

***Sherman Indian High School recognizes that students may occasionally travel outside of the school-paid travel periods. In such cases, we require advance notice of at least two weeks.***

To arrange transportation to the shuttle, stop, train, or bus station, students must submit the following to the Travel Coordinator:

- A copy of the paid travel itinerary (including both common carrier and shuttle service, if applicable)
- A parent/guardian permission letter
- A School Leave Authorization Form (available in the Academic Office)

Transportation will not be scheduled until all required documents have been received.

### **Holiday Travel Tips**

Sherman Indian will provide one complete round-trip travel for winter break. Students taking time away for Thanksgiving, Easter, or any additional time during the school year will need to follow student check-out procedures. Students traveling on personal check-out status will be required to pay for their own travel, including the cost of traveling between the school and Riverside Amtrak or Ontario Airport (ONT).

### **Shuttle Service**

Sherman Indian does not provide shuttle service for students with personal checkouts. If the student and/or family are arranging the travel, the cost and responsibility of the arrangements for the shuttle service is also the student/family's responsibility. For a nominal fee, ground transportation (shuttle, Uber, Lyft, taxi, etc.) is available to and from Ontario Airport/Amtrak station and Sherman Indian High School.

### **Bereavement Travel**

In the event of a need for student travel for a bereavement situation, Sherman Indian High School is not funded and cannot pay for this travel. Families are urged to contact their tribal social service office for assistance.

In bereavement situations, families are asked to contact the Travel Coordinator to coordinate student notification and seek grief counseling support for their student.

### **Other Travel**

Sherman Indian High School does not provide trips home for cultural events or breaks. In order to have transportation provided to the airport shuttle or train station, students must fill out a "School Leave Authorization" along with their itinerary (both shuttle and airport), parent permission letter, and teacher signatures to the Travel Coordinator. Shuttle fees are the responsibility of the student/family.

There are times when colleges will sponsor students to visit their campus without Sherman Indian staff. This will be approved, provided that the parent releases Sherman Indian from liability arising from the visit. School Leave Authorization, parent permission slip, agenda, and sponsor contact information must be provided prior to releasing the student for the visit.

### **Year End Travel**

End-of-year travel is scheduled according to the official school calendar and coordinated with the conclusion of classes. Parents requesting their student to leave before the established final exam dates must submit a written request to the administration. Approval must be granted in writing prior to May 1 before any travel arrangements can be made. Students may only be

checked out by their parents or legal guardian. Please note that leaving before finals may negatively affect final grades and will only be approved under extreme circumstances. Families will be financially responsible for return travel if early departure occurs outside the approved travel dates.

## **Visitor Policy**

The safety and security of staff and students at Sherman Indian High School is of the utmost importance. A critical part of creating a safe campus environment is for the administration to have advanced knowledge of all visitors. School administration must know who is always on campus and reserves the right to refuse entry to any visitor. Any visitors (individuals not currently enrolled at or employed by Sherman) must sign in at the Guard Shack upon arrival to receive an official Visitor's Pass. Visitors will be given additional instructions and directions. Students and staff are expected to inform the residential staff of the presence of any unregistered visitor on campus.

Residential student curfew is 9:00 PM. Parents/Guardians are encouraged to visit their child between the visitation hours of 7:30 AM - 9:00 PM. If you arrive after 9:00 PM, **ONLY** the parent/guardian will be allowed to visit their child in the front lobby area of the dormitory. The parents will have to physically walk into the dormitory for all check-outs. Students will not be allowed to meet their parents/guardian in the parking lot. This is to ensure safety and accountability.

During the school year, **school-sponsored closed events (such as dances/prom/on-campus activities) are only for current enrolled school students.** Unapproved visitors will be escorted off the premises either by school personnel, or by local law enforcement authorities.

Sherman Indian High School graduates/alumni will follow visitor policies clarified above.

## **Student Driving Policy**

***Students may not have or operate a motor vehicle on campus. This includes driving the cars of parents/guardians who come to visit.***

## **Emergency Procedures**

### **Fire Alarms**

In the event the fire alarm is activated, the building will be evacuated immediately. Students must follow the directions of the staff. The fire alarm panel will be checked to determine the source of the alarm. The staff will go to the source indicated to assess the risk. The staff will report the situation to the supervisor and call for emergency response if appropriate.

### **Fire Drills**

Two fire drills will be conducted during the first month of school (August), and one fire drill will be held each month for the remainder of the school year and summer school. During a fire drill, the building will be evacuated rapidly and in an orderly manner. Occupants of the building will not be allowed to stop and pick up personal belongings or re-enter the building.

Once the occupants are outside of the building, an accurate account will be made of all the students, staff, and visitors. The time it took to evacuate will be noted. Evacuation plans are posted in every room, and in the hallways. Fire drills will be conducted at random times (after school, evening and night).

### **Emergency Management and Continuity of Operations Plan (Coop)**

Sherman Indian High School has developed a plan to prevent, detect, and respond to any emergency that may occur at the school. During the first month of school, the residential staff will review safety protocols with students, including evacuation protocols, lockdown protocols, and shelter-in-place protocols. In case of an emergency, students, parents, and visitors will be given instructions and guidance by school personnel in accordance with the Emergency Management/COOP Plan. The Emergency Management /COOP Plan can be viewed at the academic front office and home living staff office.

## **Disciplinary Process and Procedures**

When a member of the administration, faculty, or staff observes a violation of school rules, he or she will notify the student of her or his action and the violation of the Code of Conduct in the **Student/Parent Handbook**. The staff member will complete a disciplinary Student Incident Report (SIR) after the incident. A copy of the SIR will be turned into administration as soon as possible.

An SIR is documentation of a student's alleged violation of the code of conduct while at Sherman Indian High School. The SIR will include all activities observed or reported, as well as the date, time, and location of the incident. The administration, faculty, or staff member will counsel a student and contact the parent/guardian after an SIR is written.

The student will be asked to sign the SIR. Signing an SIR is not an admission of guilt; signing only acknowledges that the student understands an SIR was written. If a student refuses to sign the SIR, it will be noted on the SIR. An attempt to notify the student's parent or guardian of the SIR will be made by phone by the person who wrote it, and a copy of the SIR will be provided to the student and to the parent or guardian of any student. A hard copy of all expellable, major, and minor SIR's will be kept on file and within the school database.

### **Student Rights**

A student has the right to appeal to any major SIR that he or she has been accused of violating. **The student will have 24 hours, one (1) business day to appeal and can be placed on in-dorm restriction when deemed necessary by administration.**

The student must provide a written appeal to have the SIR reviewed by the administration within one (1) business day of being written up for a violation of the Student/Parent Handbook. The *Student Appeal Form* will provide the student with the opportunity to explain the misconduct and exactly why he or she feels that the incident should not have received an SIR.

Appeal forms will be available in our Administrative Lobby (front desk). All completed forms MUST be returned to the Administrative Lobby. If the student needs an appeal form after 4pm or on weekends, they need to retrieve an appeal form on the next business/school day.

### **Appeal Process**

All appeal forms must be picked up at the Front Desk (Administrative Lobby) by the student and returned to the Front Desk by the student within one (1) business day. Appeal forms may be picked up or dropped off between the hours of 8:00 am – 4:00 pm and not during class hours at the Front Desk.

### **Due Process**

Tribal, county, state, and federal authorities may prosecute students who commit crimes or violate laws as established by county or tribal ordinances under tribal, state, and federal codes. If a court administers penalties for any violations of the ordinances, the school may impose a second penalty, which will not be construed as “double punishment” or “double jeopardy.”

Student Rights and due process procedures in this *Student/Parent Handbook* are consistent with the language contained in 25 CFR Part 42.3. The regulations govern establishing a program of students’ rights and due process procedures in schools that are operating under contract with the Bureau of Indian Affairs.

### **Due Process Rights**

1. The student has a right to be present at the hearing (physically or via teleconference except in cases when deemed that safety or privacy may be compromised) as well as the student’s parent(s) or guardian(s) or their designee or be represented by legal counsel of her or his choice. The student does not have a right to payment of private attorney’s fees. Travel costs to the hearing will not be covered by the school.
2. The student has a right to produce and have produced witnesses or evidence on the student’s behalf.
3. The student has the right to confront and examine all witnesses (except in cases when deemed that safety or privacy may be compromised).
4. The student has a right to a record of the hearings on disciplinary actions, including written findings of fact and conclusions.
5. The student has a right to administrative review and appeal.
6. The student has a right not to be made to testify against oneself.
7. The student has a right to have allegations of misconduct and information about the allegations removed from the student’s records if the student is found not guilty of the charges.
8. Students with an Individualized Education Plan (IEP) will be assessed by the Special Education Department with a Manifestation Determination protocol.

|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>When it is determined by due process that a student has violated the policies of the school as set forth in this Student/Parent Handbook, the student must be willing to accept the consequences for that action.</b></p> |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### **Due Process Procedure:**

1. Written notices of charges will be sent to the permanent address of the student and the parent or guardian of a minor student. The parent or guardian is encouraged to participate throughout the process. Notice of the charges shall include reference to regulations allegedly violated, the facts presented that constitute the alleged violation, and notice of the right to access all statements related to the charge and to those parts of a student's school record which shall be considered in rendering a disciplinary decision.
2. A fair and impartial hearing will be held before any disciplinary action is imposed.
3. The disciplinary hearing is held by teleconference or on campus (when practical). All parties will be sent notice of the hearing date and time within ten (10) instructional days of the date that notice of the charges is provided. The disciplinary hearing will be with ten (10) working days after notification of the hearing.
4. Parents or guardians are welcome to attend the hearing. Students can request an advocate or representative with written notice signed by parent/guardian. This notice must be received five (5) days prior to a hearing. Failure to submit notification will result in rescheduling of a hearing. All expenses incurred related to the attendance of the hearing are the sole responsibility of the parent or guardian.
5. If proper documentation can be produced that shows the student and her or his parent or guardian have been properly notified of date, time and place of the hearing and telephone contact cannot be established, the hearing will be held in absentia. It is the responsibility of the student to notify the hearing secretary if rescheduling needs to take place prior to the hearing date. A due process hearing will only be re-scheduled one time, if necessary.
6. The student has a right to a written copy of the charges against him/her, including the date, time, and place of the incident that is the subject of the charges.
7. The student has a right to have the chairperson postpone the hearing for a reasonable amount of time (not to exceed ten calendar days), if the student believes he or she has not been given enough time to prepare an adequate defense or enough time to have parents/guardians participate.
8. The Disciplinary Hearing Board shall hear cases involving rule violation and shall suggest recommendations of disciplinary action on a majority vote, based solely on the facts presented at the hearing.
9. The Disciplinary Hearing Board shall be made up of two employees and a chairperson (employee or contract), who are unbiased and are not involved in the situation. A Hearing Board member may not be a witness in the proceedings, nor may he or she be the individual bringing the charges. A student may request an advocate (student or employee) to be present or participate in the hearing.
10. The Disciplinary Hearing Board shall meet in private and render its recommendation.
  - a. **Expulsion** of the student from the school. Expulsion concerns a critical matter of health or safety to the student or other members of the Sherman community. Expelled students may re-apply one calendar year after date of expulsion. All semesters of the expulsion must be met before re-admittance is considered. This may result in loss of academic credit earned for the semester.

- b. **Suspension** of the student from school for a specified amount of time. Suspension concerns a serious matter of health or safety to the student or other members of the Sherman community. Suspended students may reapply through the regular admissions process. Students suspended will be excluded from enrollment for a period of one semester; or the remainder of a current semester; or a time period determined by the Disciplinary Hearing Board. This may result in the loss of academic credit earned for the semester.
- Students reapplying during the same academic year must complete a new application. The Sherman Indian High School's Admissions Committee must receive the application by the second semester deadline date. No phone calls will be accepted in lieu of the application.
  - Failure to meet the terms of the suspension may result in a re-admittance application being denied. Reapplication of a suspended student does not automatically mean that a student will be readmitted.
  - A student returning to Sherman from a suspension (during the same academic year) may be responsible for the cost of return travel.
  - Students returning to Sherman MUST provide conditional documentation as stated or specified in the Suspension Exit papers.
- c. **Dismissal of charges** will result in the removal of charges from the student's record.
11. Upon determining the findings of fact and conclusions, the Board shall make one of the above recommendations (a, b, or c) to the Principal or the Principal's designee.
12. Only the Principal or Principal's designee may take disciplinary action leading to the expulsion or suspension. Written recommendations from the Disciplinary Hearing Board are due to the Principal or the Principal's designee within 72 hours (3 academic school days) of the hearing. The Principal or designee will act on the recommendations within 72 hours (3 academic school days).
- a. The student and parents/guardians may appeal the Principal's decision, within ten (10) school days of receiving the decision, to the Area Education Program Administrator.

13. Any student engaged in a due process proceeding will not be allowed to participate in any school activity, and any student who has been *suspended, expelled, administratively released, or parentally withdrawn in lieu of suspension or expulsion* will not be allowed on campus nor be allowed to participate in any school-sponsored activity, including but not limited to Pow Wow, Intertribal Ceremony, and Graduation. Sherman is not responsible for reimbursement of prepaid activities.

## Description of Student Incident Reports (SIR)

### Expellable Disciplinary SIR

Each expellable SIR may result in immediate Administrative Leave and will be the subject of a Due Process hearing. If a student has a probation officer, social worker, or caseworker, these people may also be notified of the violation.

**When a student is on campus, he/she must be free of all alcohol and chemical influences, no matter when or where their use occurred. For example, if a student uses drugs or alcohol off campus and subsequently fails a drug/alcohol test he/she will receive an SIR. The distribution or sale of any drugs, vapes, or alcohol on campus is strictly prohibited and will result in immediate removal from campus.**

| <b>School Policy and Rules</b>            | Failure to follow Academic, Cafeteria, Homeliving policy and rules or refusal to comply with the disciplinary programs such as not participating in or being disruptive in study hour or other tutoring settings.                       |

Any minor SIR committed in Home living will include a (5) demerit value along with the minor SIR. Demerits must be worked off in the student's dorm by 9pm on Thursday or late night and off campus privileges will be restricted. At fifty (50) demerits the student will receive a major disciplinary SIR.

Violations of the disciplinary code as described in this handbook are not limited to items specifically addressed in the SIR section. Administration reserves the right to apply due process procedures in special circumstances not listed below. The list of offenses is not intended to cover every possible type of offense and is not to be interpreted as precluding discipline if the charge is not specifically mentioned. This provision is similar to the California Educational Code reference 48900(k). This citation of the California Education Code parallels that of other states' codes in that schools or school districts are not required to list every conceivable situation or incident that would or could disrupt school activities.

### Notification of Rights – Formal Disciplinary Proceedings (25 CFR § 42.7(a))

In accordance with 25 CFR § 42.7(a), Sherman Indian High School is committed to ensuring that all students receive due process when subject to formal disciplinary proceedings. Students and

parents/guardians are entitled to receive written notice of alleged violations and have an opportunity to respond before disciplinary action is imposed, except in situations permitted by law.

Prior to a formal disciplinary hearing, the school will provide the student and parent/guardian with written notice that includes:

- A copy of the school rules, policy, or regulation allegedly violated.
- A description of the facts and circumstances related to the alleged violation.
- Information regarding statements or evidence received by the school concerning the allegation and instructions for obtaining access to such information.
- Information identifying the portions of the student's educational or disciplinary record that may be considered in making a disciplinary decision.

Students are entitled to a fair and impartial hearing before significant disciplinary action is imposed, except when immediate removal is authorized by law, when an emergency exists that poses an immediate threat to the health or safety of the student or others, or when the student (or parent/guardian for students under 18 years of age) voluntarily waives the right to a hearing.

During disciplinary proceedings, students retain the right to be treated fairly and respectfully, to present their version of events, and to receive a decision based on the evidence presented. Sherman Indian High School is committed to maintaining a safe, orderly, and supportive learning environment while protecting the rights of all students.

Questions regarding student disciplinary procedures or due process rights should be directed to the Principal or designee.

### ***School Behavior Interventions***

Sherman Indian High School is committed to fostering a safe, respectful, and supportive learning environment that promotes student success, personal responsibility, and positive relationships. The school utilizes a progressive approach to behavior interventions designed to teach appropriate behavior, support student growth, and minimize disruptions to the educational environment.

Behavior interventions are intended to address concerns early, promote positive decision-making, and help students develop the social, emotional, and behavioral skills necessary for success in school and beyond.

Behavior interventions may include, but are not limited to:

- Verbal reminders and redirection
- Teacher-student conferences
- Classroom behavior contracts or intervention plans

- Parent/guardian contact and conferences
- Restorative practices and conflict resolution activities
- Counseling referrals and support services
- Check-in/check-out systems
- Behavioral goal setting and progress monitoring
- Academic and behavioral support plans
- Community service or restorative activities
- Referral to student support teams
- Referral to residential staff, when applicable
- Referral to outside agencies or support services, when appropriate

When student behavior significantly disrupts the learning environment or poses a safety concern, disciplinary consequences may be implemented in accordance with school policies, Bureau of Indian Education (BIE) regulations, and due process requirements. Interventions and disciplinary responses will be determined based on the severity, frequency, and circumstances of the behavior.

Sherman Indian High School encourages students to demonstrate the values of respect, responsibility, integrity, and citizenship. Students are expected to take responsibility for their actions, follow school rules, respect the rights of others, and contribute positively to the school community.

Parents and guardians play an important role in supporting positive student behavior. The school encourages open communication and collaboration between home and school to address concerns and promote student success.

Questions regarding behavior interventions, student support services, or disciplinary procedures should be directed to the school administration.

## **Parent/Student Rights and Responsibilities**

Parents are encouraged to participate in telephone conferences as well as scheduling a visit to the school to meet with staff. This can be completed by calling the office directly. Another option of communication between the school and the parent/guardian is through the use of e-mail.

### **Student Responsibilities**

- Attend classes regularly

- Complete assignments in class
- Complete homework assignments
- Ask a teacher for help when needed
- Seek tutoring when needed
- Respect the rights of others and yourself
- Avoid drugs, alcohol, and nicotine
- Read on a regular basis

### **Parent Responsibilities**

- Parents will make an effort to communicate with the school when needed via telephone, e-mail, mail, or in person
- Provide comments and/or suggestions
- Attend Parent Conference in the fall
- Review your student's progress on the Parent/Student Portal
- Encourage children to do well in school
- Encourage the child to respect others as well as himself or herself

### **School Responsibilities**

- Host the Parent Conference in the fall
- Provide current information regarding Sherman in a timely manner
- Provide phone conferences as needed
- Send quarterly progress reports
- Provide tutorial services when requested or deemed necessary.
- Provide curriculum that is aligned with Bureau of Indian Education Guidelines and Common Core State Standards
- Mail compacts to parents
- Provide school reports on-site for parental inspection and comments
- Provide highly qualified teachers
- Provide a safe school environment
- Provide cultural activities and programs

## **School Services**

### **School Bank Procedures**

The student bank will cash money orders, cashier checks, state, tribal, and government checks. The bank will also take the last employment check from student summer work. **Please do not send cash through the mail. No personal checks will be accepted at the school bank.**

Students are encouraged to open a bank account rather than carry large sums of cash. Parents/Guardians may send money orders or cashier's checks directly to the student bank, and Parents/Guardians may request that the bank allow students to receive the money at a specific interval and amount.

When parents send students money orders to open an account, the parents should address the envelope to the *student bank*. Parents should make money orders out to **"Sherman Indian**

**High School Bank”** and put their student’s name on the money order. His or her name will be placed on the mail list so he or she will know that a letter has arrived. The student can read the instructions and endorse the money order to open an account.

If a student wants money in a hurry, the parent can send it through Western Union or Money Gram. The parent may also set up an account with a local bank and give the student an ATM card. This allows parents to monitor their children’s accounts. If you have any questions, please contact the Business Specialist at (951) 276-6326, ext. 206 or [Celestina.Torres@bie.edu](mailto:Celestina.Torres@bie.edu) .

## **Cafeteria (Braves Café) and Food Services**

Sherman Indian High School has a full-service cafeteria. It is staffed full-time and provides USDA approved nutritionally balanced meals daily. Our facilities are inspected annually by the Indian Health Service Sanitation department for proper food handling procedures.

### **Meal Options**

Our cafeteria offers hot meals for breakfast, lunch, and dinner. Additionally, students on-the-go have the option of enjoying a smoothie or parfait for breakfast and lunch options that include a boxed sandwich meal or a vegetarian meal. The menu periodically features cultural dishes and includes a special birthday celebration meal each month.

Sherman Indian High School will provide three (3) meals daily, Monday through Friday and two (2) meals, brunch and dinner, on weekends. Snacks are provided each afternoon. Meals are served cafeteria-style and consumed in a pleasant dining room atmosphere. Students are required to clear their tables when they finish and deliver trays to the dish room for washing. During the dinner meal, students are assigned, on a rotating basis, to a mandatory “kitchen detail.” Students assist Food Service staff in cleaning up. Students are required to serve kitchen details when they are assigned. Failure to serve the assigned detail will result in referral, restriction, or demerits.

### **Cafeteria Expectations**

Students are expected to behave in a polite and courteous manner while in the cafeteria area. Running and cutting in line are not acceptable behaviors, and students are expected to leave their eating areas clean.

## **School Continuity of Learning and Public Health Response Plan**

Sherman Indian High School is committed to ensuring continuity of learning and maintaining a safe educational environment during public health emergencies, natural disasters, severe weather events, facility closures, or other circumstances that may disrupt normal school operations.

The school will implement continuity of learning measures as needed to provide students with ongoing access to instruction, academic support, and educational resources. Depending on the nature of the disruption, instructional delivery may include in-person, virtual, hybrid, independent study, or other approved learning models.

In the event of a public health emergency, including communicable disease outbreaks such as COVID-19, Sherman Indian High School will follow guidance and requirements established by the Bureau of Indian Education (BIE), the Centers for Disease Control and Prevention (CDC), the Indian Health Service (IHS), local public health authorities, and other applicable agencies.

Response measures may include:

- Enhanced cleaning and sanitation procedures.
- Health and safety protocols to reduce the spread of illness.
- Temporary modifications to school operations, schedules, or activities.
- Distance learning or alternative instructional delivery methods.
- Communication with students, parents/guardians, staff, and tribal communities regarding operational changes.
- Academic and social-emotional support services for students.
- Procedures for illness reporting, isolation, quarantine, or other health-related measures as required by public health guidance.

Students and families are expected to comply with school health and safety requirements during any declared public health emergency. The school will make every effort to provide equitable access to instruction and educational services to ensure that learning continues with minimal disruption.

Sherman Indian High School reserves the right to modify procedures and operational practices as necessary to respond to changing conditions and guidance from federal, tribal, state, and local authorities. Updates regarding continuity of learning plans and emergency procedures will be communicated through official school communication channels.

Questions regarding the Continuity of Learning and Public Health Response Plan should be directed to the school administration.

## **Indian Health Services Clinic (IHS)**

IHS offers a Primary Care/Behavioral Health Care clinic on the campus with services available to all students at Sherman Indian High School.

### **School Nurse**

A school nurse is available, by appointment, during school hours. They serve as triage to determine if a student should be seen at Urgent Care or the Emergency room. They are unable to prescribe medications or treat ailments.

### **Pregnant Students**

SIHS is unable to meet the special needs of pregnant students; therefore, any pregnant student will be returned home to the care of the parent/guardian. Parents are encouraged to contact their local school district for academic assistance.

### **Dental and Optical Services**

Dental and Optical services are not provided at Sherman Indian High School. Dental and optical services are referred to a nearby tribal health clinic on a space available basis. No orthodontic services are available at the Sherman Indian Health Clinic or the tribal Health Clinic. Please speak with your orthodontist if your student is on a treatment plan. As stated in the Welcome Letter, students should have all optometry, orthodontic, dental examinations, and all updates before travelling to Sherman.

### **Medication Administration Policy**

Medications will be administered in accordance with the BIE's Medication Administration Policy, which is attached as **Appendix C**. Sherman Indian High School's medication policies and procedures are available on our website at [www.shermanindianhs.org](http://www.shermanindianhs.org).

### **School Health Services**

Sherman Indian High School is committed to supporting the health, safety, and well-being of all students. School health services are provided to promote student wellness, prevent illness and injury, support academic success, and ensure that students have access to appropriate health care while attending school.

Health services are coordinated through the school health office and may include:

- Basic first aid and emergency care for illness or injury occurring at school.
- Health assessments and screenings as required by law or Bureau of Indian Education (BIE) policy.
- Monitoring and management of chronic health conditions.
- Administration of medications in accordance with school policies and physician orders.
- Immunization record review and compliance monitoring.
- Health education and wellness promotion.
- Referral to appropriate medical, dental, mental health, or community health services when needed.
- Coordination of care with parents/guardians, healthcare providers, and residential staff, when applicable.
- Response to communicable diseases and implementation of public health protocols.

Students who become ill or injured during the school day should report to the Health Center or

school office and may not leave campus without proper authorization. In the event of a serious illness or injury, parents/guardians and emergency contacts will be notified as soon as possible.

Parents/guardians are responsible for providing accurate and current health information, emergency contact information, immunization records, and any medical documentation necessary to support their student's health needs. Students with chronic medical conditions, allergies, or special healthcare needs should notify the school health staff at the beginning of each school year or upon enrollment.

Prescription and over-the-counter medications must be provided, stored, and administered according to school procedures. Students may not possess or self-administer medications unless specifically authorized by the school and healthcare provider.

Sherman Indian High School works collaboratively with families, healthcare providers, and community partners to ensure students have access to services that support their physical, mental, emotional, and social well-being.

Questions regarding school health services, medications, health records, or medical accommodations should be directed to the School Health Center or school administration.

## **Infectious Disease Control Policy**

The following guidelines were developed by the BIE in collaboration with Indian Health Services to reduce the spread of communicable diseases in the dormitory. These guidelines will be followed in any communicable/infectious disease situation.

If a student is believed to have a communicable or infectious disease the residential staff will immediately notify, the homeliving supervisor or designee. The homeliving supervisor or supervisor in charge (SIC) will:

1. Take the student to the nearest hospital (Indian Health Services or Private) for an evaluation.
2. Contact the Student's parent/guardian.
3. Work with Indian Health Service (IHS) or other appropriate medical personnel to determine if isolation/separation of any student is necessary.
4. If necessary, place the student in a designated isolation room in the dormitory and ensure the student is checked every 10 minutes.
5. Control the transmission of the communicable disease in the dormitory.
6. If appropriate, notify parent/guardian in writing of:
  - a. The disease to which the child was exposed, and whether this is one case or part of an outbreak.
  - b. Signs and symptoms of the disease that the parent should watch for in the child.
  - c. How the disease is spread.
  - d. The incubation period of the disease (when they might see symptoms appear).
  - e. How many days or weeks the disease can spread from person to

person (period of communicability).

- f. Disease prevention measures recommended by a Public Health Nurse or Sanitarian.
- g. The control measures implemented at the school.
- h. Sherman Indian High School follows the guidance of the CDC and state education departments.

**Re-admittance:**

If a student has been removed from the dormitory due to a communicable or infectious disease, they must provide a doctor's note confirming they are medically cleared to return before reentering the dormitory or school. Additionally, a meeting with the student's parent or guardian will be required.

## Appendix A

### BIE's Suspected Child Abuse/Neglect (SCAN) Protocol Summary

#### 4.0 Introduction

It is mandated that all knowledge of or suspected child abuse be reported to the local law enforcement agency or to child protection services. However, the report must meet the definitions of child abuse contained within Public Law 101-630 and Public Law 101-647 to be considered "abuse". Since 1998, when the Child Protection Handbook was released, numerous reports of suspected occurrences of child abuse have been documented. The seriousness of these reports of alleged child abuse varied greatly. There were reports as serious as sexual molestation to as minimal as an employee engaging in discourteous verbal conduct involving a student.

The BIE developed a tool for Management to ensure all incidents that may negatively impact children continue to be documented, but at the same time, ensure that only the incidents that meet the definitions of child abuse are reported to law enforcement or child protection authorities. BIE also began using Administrative Inquiry Teams (AIT, to be discussed in Chapter 5) to assist management to ensure SCAN Reports are accurate and complete.

AITs provide needed information and recommendations to assist management in making prompt decisions regarding whether an individual may be a threat to Indian children.

#### 4.1 Reporting Format – SCAN Report

The Suspected Child Abuse/Neglect Report, *Revised in 2009*, is used for documenting incidents of suspected child abuse within the BIE. The report will be referred to as the "SCAN Report" along with supporting

documents; electronic forms are available at the BIE website. A report of suspected abuse is the equivalent of a request to an investigation by local law enforcement and/or child protection authorities. The actual investigation is the lawful assessment by an authorized individual to determine if a harmful condition exists involving a minor and what emergency action should be undertaken for the safety of the child. The BIE's role is to ensure the suspected child abuse is reported in a manner that is clear and as accurately as possible so an investigation is initiated by proper authorities.

When a SCAN Report is filed, it is critical that the report be completed accurately and all appropriate notifications made accordingly. Of equal importance is the action taken after the SCAN Report has been completed. Depending on the seriousness, some action must be taken almost simultaneously to completing the SCAN Report.

A SCAN Report will be completed when a Mandated Reporter, while engaged in a professional capacity or activity, learns of facts that give reason to suspect that a child has suffered an incident of child abuse. The Mandated Reporter does not have to prove the suspected child abuse has

occurred but they must describe the behavior or physical signs that led them to suspect a child has been abused. Persons who make a report of child abuse based upon their reasonable belief and in good faith are immune from civil and criminal liability.

The Mandated Reporter will contact their immediate supervisor and work with their supervisor to complete the report. If the alleged offender is the Mandated Reporter's immediate supervisor or if the Mandated Reporter has concerns about reporting directly to their immediate supervisor, they may submit the SCAN Report directly to the BIE Program Specialist (SCAN) Office. The report must be completed within the Mandated Reporter's regularly scheduled workday and the SCAN Report must be submitted to the BIE Program Specialist (SCAN) Office within the established timeframes. This includes those reports that are non-staff related. The timeframes for reporting are identified in Chapter 6 and specific instructions on how to complete the SCAN Report.

**NOV 20 2014**

### Memorandum

To: All Education Line Officers

From: Dr. Charles M. Roessel  
Director Bureau of Indian Education

Subject: Student Check-Out Procedures

The following replaces the memorandum dated April 13, 2010, on the same subject.

Each Bureau of Indian Education (BIE) operated residential program shall publish and distribute to all parents, students and staff a school or student handbook. The handbook shall be reviewed and updated annually and will include a section on checking out students. School administrators may increase the strictness of the procedures. Any discrepancies or exceptions to the procedures shall be reviewed and approved by the Education Line Officer (ELO) and concurred by the Associate Deputy Director for Bureau Operated Schools. It is recommended that tribal/grant residential programs implement a similar policy.

At a minimum, the handbook shall include the following requirements for checking out students:

- I. A student wishing to have check-out privileges must have an original written permission signed by the parent or legal guardian stating that the school is released of any liability associated with the check out. The written permission should include, at a minimum, name of student, name and relationship of individual designated to check out the student, and if there is an alternate authorized by the parent/guardian to check out their child. Written permission must be submitted every academic year.
2. Check-out requests via telephone, telefax or email will not be approved except in situations where a family emergency has occurred due to serious illness or there has been a death of an immediate family member. An immediate family member can include mother, father, sister, brother, uncle, aunt, grandmother, grandfather, stepmother, stepfather, foster parent, etc. Such requests will be

followed up by a telephone call to the parent/guardian to verify the origin of the request, and will be approved by school personnel on a case-by-case basis. Written documentation will be submitted to the school after the check-out is approved. The ELO will be notified of the emergency check-out.

3. When there is evidence or a reasonable belief that the safety of the student may be at risk (e.g., either responsible party or student under the influence of drugs or other impairment), school personnel reserve the right to refuse the check-out request. If necessary, local law enforcement will be contacted.
4. If a conflict arises concerning the student check-out process, the school administrator, or his/her designee, reserves the right to revoke any student's check-out privileges. All conflicts will be reported to the ELO.
5. Student(s) must be in good standing and not on restriction in order to be checked out. However, exceptions will be made if the student requires medical treatment, or in the case of a serious illness or death of an immediate family member. School personnel also have discretion to make exceptions on a case-by-case basis when a student is on check out restriction. All restrictions will be reinstated when the student returns.
6. All students authorized for check-out are expected to return to the school campus at the specified time of return as stated in their approved check-out request. All student check-outs must be concluded by curfew unless pre-approved by staff in charge at the time of the check-out and noted on the School's Student Check-Out form.
7. Spell out the procedure for tracking and logging the student's departure and return to campus or his/her non-return to campus.
8. If a student has not returned to the school campus by curfew or return time, a phone call will be made to the responsible party for the check-out. If repeated attempts to contact the responsible party fail, and one-half hour has passed, a parent/guardian will be contacted, and law enforcement may be contacted.
9. Check-outs during the academic day by school personnel shall be restricted to sanctioned school activities that are approved by the school administrator or his/her designee.
10. Any student, regardless of age, shall not be authorized to check themselves out. No student check-out will be approved to an adult less than 25 years of age; however, exceptions will be made on a case-by-case basis that are approved by school personnel when the responsible party for the student's check-out or the student's parent/guardian is under 25 years of age.
11. Parents/ legal guardians may designate, in writing, immediate and non-immediate family members who are authorized to check-out their child overnight. The written document must indicate the specific family member by name and relationship.
12. School personnel will be allowed to check a student(s) out overnight with the approval of the school administrator or his/her designee on a case-by-case basis for each occurrence, when the parent/guardian consents.
13. In the event of local emergencies, i.e., natural disasters, fire or threatening weather

conditions, any previously approved check-outs may be canceled without prior notice.

14. Students involved in inappropriate activity while in check-out status may face disciplinary action upon their return to campus. Students may have their check-out privileges revoked and check-out authority of individuals may also be revoked.

The school administrator/principal shall review the school's handbook annually and train ALL staff on the contents of the handbook as well as procedures contained therein. The school administrator/principal shall inform the Associate Deputy Director that the handbook is in place, the training has been provided and that procedures are being implemented.

cc: Associate Deputy Director

#### EXPLANATION OF MATERIAL TRANSMITTED:

The Bureau of Indian Education (BIE) recognizes that some children and adolescents are able to attend school outside of the home because of the effectiveness of medications in the treatment of certain disabilities and illnesses. It is preferred that all medication be administered at home. However, when medication must be administered at school, the BIE requires that all BIE operated schools adopt this Policy regarding both prescription and over-the-counter (OTC) drugs.

Part 30

Education (Management)

Chapter 13

Medication Administration at BIE-Operated Schools and Dormitories

Page 1

**1.1 Purpose.** The Bureau of Indian Education (BIE) recognizes that some children and adolescents are able to attend school outside of the home because of the effectiveness of medications in the treatment of certain disabilities and illnesses. It is preferred that all medication be administered at home. However, when medication must be administered at school, the BIE requires that all BIE-operated schools adopt this policy regarding both prescription and over-the-counter (OTC) drugs.

**1.2 Scope.** The policy applies to all BIE-operated K-12 schools and dormitories.

**1.3 Policy.** To administer any prescribed medication, the school must require a separate, completed Bureau of Indian Education Authorization to Administer Prescribed/Over-the-Counter Medication form (Medication Authorization Form) (Attachment A) for each prescription or OTC medication a student must take at school.

**1.4 Authority.**

- 1) 20 U.S.C. § 1232(g), Family Education Rights and Privacy Act of 1974
- 2) 15 U.S.C. § 1693(b), Health Insurance Portability and Accountability Act of 2000
- 3) 25 CFR 36.86, Homeliving Programs

**1.5 Responsibilities**

- A. **Director, Bureau of Indian Education** is responsible for final approval of this policy and submission of the final policy to the Associate Deputy Director.
- B. **Associate Deputy Director** is responsible for the annual review of this policy for overall management improvement. The Associate Deputy Director is also responsible for monitoring the Education Line Offices for adherence to the policy.
- C. **Education Line Officer** is responsible for ensuring the policy is in place at and implemented by BIE-operated schools.
- D. **School Principals** are responsible for ensuring school staff members are in compliance with the policy.

**1.6 Requirements and Procedures.**

**A. Required Medication Authorization Form (Attachment A) information**

1. Name of student

# INDIAN AFFAIRS MANUAL

Part 30

Education (Management)

Chapter 13

Medication Administration at BIE-Operated Schools and Dormitories

Page 2

---

2. Date of birth
3. Reason for medication or diagnosis
4. Name of medication
5. Exact dosage to be taken in school
6. Time to take medication and frequency or exact time interval dosage is to be administered
7. If medication is given on an as-needed basis, specify the conditions or symptoms when medication is to be taken and when it may be given again ("Repeat as necessary" is usually unacceptable)
8. Duration of medication order or effective dates
9. Signature of a Licensed Medical Professional
10. Signature of a parent/guardian

Medications purchased outside the United States (U.S.) are not exempt from the requirement for a written prescription by a U.S. licensed medical professional.

All prescription medications, including physician samples, must be in an up-to-date and labeled container.

## **A. Boarding Schools and Dormitories**

In boarding schools or dormitories, where a parent is not on campus for extended lengths of time, and the school acts in *loco parentis*, some protocols may differ based on the home living staff training and health services agreements with local health care providers who prescribe the child's medication. Therefore, written documentation that the prescribing provider has contacted the parent/guardian by telephone and consent has been obtained, may be acceptable in lieu of the parent/guardian signature.

## **B. Student Confidentiality**

Schools and dormitories must ensure that student confidentiality is protected, as outlined in the Family Education Rights and Privacy Act, and the Health Insurance Portability and Accountability Act.

## **C. Medication Administration Staff**

In the absence of trained medical staff, the school principal or a designee should be trained to administer medication to students. It is imperative that any person administering medication be educated about the method of administration and contraindications to giving the medication. The principal will set aside time for the school nurse, or if there isn't one, a public health nurse, to train academic and/or dormitory staff on medication administration, which includes, amongst others, recognition of adverse side effects and allergic reactions.

The training will include the Six Rights of Assisting with Medication Administration:

1. Right Student
2. Right Medication
3. Right Dose
4. Right Time
5. Right Route
6. Right Documentation

The Six Rights are to be triple-checked each and every time a student is given a medication.

- First, when taking medication from the storage cabinet
- Second, when giving the medication to the student
- Third, when returning the medication to the storage cabinet<sup>1</sup>

The school nurse, or designated employee, will watch the student periodically to observe side effects and effectiveness of the medication and inform the prescribing provider of any complications.

## **D. Off Campus Activities**

The medications may be administered to students while on school provided transportation, and during participation in school sponsored field trips, school camps, and other out-of-school activities as noted on the Medication Authorization Form.

# INDIAN AFFAIRS MANUAL

Part 30

Education (Management)

Chapter 13

Medication Administration at BIE-Operated Schools and Dormitories

Page 4

In the event of field trips or other off-campus activities, the school or dormitory employee who will chaperone the event will meet with the school nurse, or designated employee, who will explain the purpose and expected effect of the medication, as well as signs of a bad reaction to the medication. The school nurse will provide the medicine to the staff

member/chaperone in a sealed envelope labeled with the date, student's name, the name and dose of the medicine, the time or circumstances for the medication to be given, and a copy of the Medication Authorization Form.

## **E. Self-Carry/Self-Administration**

Students are not permitted to self-carry and self-administer medications, with the exception of certain medications (inhalers for asthmatic students; EpiPens or Auvi-Q for anaphylaxis; medication for treatment of diagnosed migraine headaches; insulin for diabetic students).

If a student carries medication, the physician must indicate on the Medication Authorization Form that the student has the ability to safely manage the medication. Students must report to the designated medication administration staff they have self-administered their medication.

Persons suffering an anaphylactic reaction may not be able to speak due to extremely rapid and **potentially life threatening** swelling of the throat and/or tongue, which can occur within seconds. Following the administration of an EpiPen or Auvi-Q, staff must seek immediate medical help.

## **F. OTC Medications**

OTC medications or herbal medications require a physician's note that in essence "prescribes" these nonprescription medications. All OTC medications and herbal medications must be in the original up-to-date container with the name and dosage of the medication visible. The school or dormitory must have physician-approved protocols (indications, dose, and contraindications) for using OTC medications. Medications may not be administered for children at ages below which the drug is not approved (unless prescribed by a licensed medical professional). The school nurse, or designated staff, will observe the student to determine if it is appropriate to administer a particular OTC

medication to a student, and to determine if the student's symptoms could be alleviated first without medicine.

## **G. Medication Supply**

Schools and dormitories will notify parents that it is their responsibility to supply the school with prescribed medications in the original up-to-date pharmacy labeled containers, keep medications current and supply medical devices (e.g., nebulizers, insulin pumps, oxygen). Medications will be delivered to the school in-person by the parent or through

# INDIAN AFFAIRS MANUAL

Education (Management)

Page 5

---

acceptable mailing services. It is also the parents' responsibility to complete a Medication Authorization Form for each medication at the beginning of each school year.

In situations where parental notification isn't possible due to parental absence, medication authorization by a nurse will be sufficient as long as a parent has provided written permission for the school to administer medications in their absence. Medications will be kept with the school nurse, or other designated staff, as noted in Section L, below.

## **H. School Medication Documentation**

Protocols should be established for the documentation of all medications administered at school, whether emergency or routine. Some schools use a log, and others use a computer-based student medical record system. A log must not be accessible to anyone other than the school nurse, or designated employee. Any error in medication administration at a school needs to be reported using the Medication Incident Report (Attachment B) and also to at least one common supervisor to identify patterns of errors and take corrective action.

Errors with medication dosage or timing will also be reported to the parent and the medication prescriber so any necessary course of action can take place. Measures taken by school administrators after a medication error must be designed so that they do not discourage staff self-reporting of errors.

## **I. Individualized Health Plan**

Students who self-carry and/or self-administer medication must have an Individualized Health Plan (IHP) developed by the school staff, school health care provider, Licensed Medical Professional, and a parent/guardian.

The IHP will describe the student's special health care needs, protocols for emergencies, responsibilities of principal, school nurse, teacher, aide, family, and student, including back-up plans when the trained teacher is absent.

## **J. Licensed Medical Professional**

A licensed medical professional consists of the following: Doctor of Medicine (MD), Doctor of Dental Surgery (DDS), Doctor of Medical Dentistry (DMD), Doctor of Osteopathic Medicine (DOM), Doctor of Podiatric Medicine (DPM), physician's assistant (PA), podiatrist, oral surgeon, orthodontist, etc.

## **K. Medication Storage**

Controlled substances such as Methyphenidate (Ritalin, Concerta) must be kept in a narcotics cabinet. Access to a medication cabinet is limited to the school nurse or designated employee.

At the end of the school year, the school nurse will notify parents they are to pick up any unused medication. If the parents fail to pick up the medication within one week after the end of the school year, the School Nurse is to destroy the medication following the *U.S. Food and Drug Administration, How to Dispose of Unused Medicines Guidelines*:

1. Take the medicine out of the original container;
2. Mix the drug with an undesirable substance, such as cat litter or unused coffee grounds;
3. Put the mixture into a disposable container with a lid, such as an empty margarine tub or a sealable plastic bag;
4. Conceal or remove any personal information, including Rx number, on the empty containers by covering it with black permanent marker or duct tape, or scratching it off; and
5. Place the sealed container with the mixture and the empty drug containers in the trash.<sup>2</sup>

**1.7.1 Notification.** The school principal shall annually notify all students, faculty, staff, and parents about this medication policy. The school principal will also document that the policy has been reviewed with staff and students during staff and student meetings. The documentation shall include an agenda, a sign-in sheet, and any materials that were distributed. The school principal should notify students, faculty, staff, and parents of the policy by:

1. Publication in student handbooks;
2. Publication in the school newsletter;
3. Publication in faculty handbooks;
4. Posting it for students and staff on bulletin boards in the school or dormitory teachers' lounge, offices, main office, and other commonly-used areas; and
5. Providing it to students as part of their registration materials for school.

## **Appendix D- SIHS Staff Directory**

Sherman Indian High School is committed to providing students, parents, and community members with accurate and current staff contact information. Because staffing assignments, positions, and contact information may change throughout the school year, the most up-to-date staff directory is maintained online.

Please visit the Sherman Indian High School Staff Directory at:

The online directory includes current administrators, faculty, support staff, and contact information. Parents and guardians are encouraged to use the online directory as the primary resource for reaching school personnel.

### **Seventh and Eighth Grade Course - for College Admissions**

Courses in Mathematics and Languages Other Than English (LOTE) completed in the seventh and eighth grades with grades of at least C may be counted toward the Subject Requirement. This includes Tribal languages. See Mrs. Clifford for more information.

### **D and F Grades - for College Admissions**

Courses used to satisfy the “a-g” requirements in which the student earns a D or F grade must be repeated with a grade of C or higher. In these cases, the second grade is used in calculating the Scholarship Requirement GPA. Each course in which a grade of D or F has been received may be repeated only once. Special rules are used for Languages Other Than English and Mathematics.

### **California residency for Post Secondary Education**

A student who is a graduate of any school located in California that is operated by the U.S. Bureau of Indian Education, including but not limited to Sherman Indian High School, shall be entitled to California residence classification for college. This exception shall continue as long as continuous attendance is maintained by the student at a California educational institution.

### **Eligibility in Local Context (ELC) at the University of California**

If you rank in the top nine percent in your class, you may be eligible for ELC designation. The University of California (UC) will identify the top 9 percent of students based on GPA in the UC- approved coursework completed in the 10th and 11th grades. To be considered for ELC, you must have a minimum GPA of 3.0 and complete the following “a-g” course prior to your senior year: one year of History/Social Science, two years of English, two years of Mathematics, one year of Laboratory Science, one year of Language other than English, four year-long College-preparatory electives.

After you enter your coursework and grades in the UC application, the UC will compare your GPA to the historic top GPA for Sherman. If you meet or exceed that GPA, you’ll be designated ELC, and the UC will add a note to your application. Your application will be automatically screened for ELC eligibility when you apply. There’s no extra paperwork.

After applying, you can return to the My UC Application page to see whether you’ve been designated as being in the top nine percent of your class. Students who are eligible in the statewide context or eligible in the local context and are not admitted to any campus to which they apply will be offered a spot at another campus if space is available.

As part of the Sherman application process, parents/guardians provide consent for transcripts to be sent to the University of California. (Any questions see Mrs. Clifford)

Students interested in attending Colleges/Universities in Arizona should be prepared to meet the following:

- English 4 years Composition/Literature-based courses
- Math 4 years Algebra I and II, Geometry, and one additional course
- Lab Science 3 years Biology, Chemistry, Geology, and/or Physics
- Social Science 2 years including one year of American History
- Language Other Than English 2 years Same language, but 3 years is recommended
- Fine Arts 1 year

Applicants must also meet at least one of the following:

- Top 25% in high school graduating class

- 3.0 GPA in competency courses (4.0 –A)
- ACT 22 (24 nonresidents) or SAT Reasoning 1040 (1110 nonresidents)

**AUTHORIZATION TO ADMINISTER PRESCRIBED/OVER-THE-COUNTER MEDICATION**

**PART I—TO BE COMPLETED BY THE PARENT/GUARDIAN**

I hereby request and authorize designated and properly instructed school personnel to administer prescribed medication as directed by the prescribing physician or other duly licensed provider (PART II below). I certify that I have legal authority to consent to the administration of prescribed medication following the provider's order. I understand additional prescriber/parent authorizations will be necessary for each medication to be administered, and if the dosage of the medication is changed. If necessary, I authorize **the designated school health care official to communicate with the prescriber or the student's health care provider as allowed by HIPAA.**

***MEDICATION***

**INFORMATION AND PROCEDURES**

1. No medication will be administered in school or during school-sponsored activities without the parent's/guardian's written authorization and a written physician or other licensed health care provider order. This includes both prescription and over-the-counter (OTC) medications. An exception will be made for students living at a boarding school or a dormitory and whose parent/guardian has granted permission for emergency care for the student.
2. The parent/guardian is responsible for completing Part I and obtaining the physician's statement on Part II. This is required every school year for each new or continuing order or if there is a change in dosage or time of administration during the school year. Information necessary includes: child's name, diagnosis, medication name, dosage, time of administration, duration of medication, side effects, physician signature, and date.
3. The medication must be delivered to the school by the parent/guardian or through acceptable mailing services and under special circumstances by an adult designated by the parent/guardian.
4. All prescription medication must be provided in an original container with the pharmacist's label attached. If applicable, a duplicate bottle may be requested so some of the medicine can be kept at home. Non-prescription OTC medication must be in the container with the manufacturer's original label so dosage information and expiration date are viewable.
5. The parent/guardian is responsible for collecting any unused portion of a medication within one week after expiration of the physician's order or at the end of the school year. Medication not claimed within that time period will be destroyed using approved disposal methods by the FDA or EPA (see BIE Medication Administration policy).
6. A physician's or other duly licensed provider's order and parental permission are necessary for self-carry/self-administered emergency medications such as inhalers for asthma and EpiPens or Auvi-Q for anaphylaxis, Insulin for diabetes, and Sumatriptan for migraines. It is imperative the student understands the necessity for reporting to the health staff or teacher that they have self-administered their inhaler or have self-administered an EpiPen, so emergency services can be sought. Students that self-carry/self-administer emergency medications will have an Individualized Health Plan so school nurse/school health assistant can communicate with school staff.
7. When applicable, pursuant to specifications on the medication authorization form, the school nurse or other licensed health care professional will assess the student to determine if it is appropriate to administer a particular OTC medication to a student, and to determine if the student's symptoms could be alleviated first without a medicine. A non-licensed provider will observe the student and report their observations to a nurse or other licensed health care provider.

# Student Commitment

## 2026 - 2027

Sherman Indian High School believes that it offers students an exceptional educational environment for student success. Students who make the commitment to follow the *Student/Parent Handbook* will succeed at Sherman Indian High School.

- I have read the *Student/Parent Handbook* and have had any questions answered and explained to me.
- I hereby pledge to follow the policies set forth by the *Student/Parent Handbook*.
- I understand that the *Student/Parent Handbook* has been adopted and approved by the Sherman Indian High School's administration.
